International Conference On

# Agroecology-Organic Farming & Farming Technology

April 22-23, 2022 | Tokyo, Japan

https://www.meetingsint.com/conferences/agroecology

# *Invitation*

Dear Attendees,

We welcome all the enthusiastic researchers from all around the world to join us for the "International Conference on Agroecology" scheduled on April 22-23, 2022 at Tokyo, Japan. The main theme focused on "latest research of organic farming and Argoecology" The conference will be a common platform for researchers, scholars and students from all areas of Agriculture-food, Aqua Live, plant science and food safety and other related areas like soil science, soil-plant nutrition chemical and fertilizer industries. The aim of the conference is to provide a platform to the researchers, industrials and students. It gives a chance to explore research scholars, delegates and students to interact and share their experience and knowledge in Agroecology.

Sincerely,

Operating Committee

# Tokyo Attractions

## Explore Tokyo

Tokyo, officially Tokyo Metropolis, is the capital of Japan and one of its 47 prefectures. The Greater Tokyo Area is the most populous metropolitan area in the world. It is the seat of the Emperor of Japan and the Japanese government. Tokyo is in the Kanto region on the southeastern side of the main island Honshu and includes the Izu Islands and Ogasawara Islands. Formerly known as Edo, it has been the de facto seat of government since 1603 when Shogun Tokugawa Ieyasu made the city his headquarters. It officially became the capital after Emperor Meiji moved his seat to the city from the old capital of Kyoto in 1868; at that time Edo was renamed Tokyo. Tokyo Metropolis was formed in 1943 from the merger of the former Tokyo Prefecture and the city of Tokyo.

The city charges itself as The Entertainment Capital of the World, and is renowned for its super club lodgings and related exercises. It is a main three objective in the United States for business shows and a worldwide innovator in the neighborliness business, asserting more Five Diamond lodgings than some other city in the world. Today, Las Vegas every year positions as one of the world's most visited traveler objections.
