Invitation

Welcome to London, the City of Arts and Science. EuroSciCon is proud to host the **14th International Conference on Alternative Medicine, December 01-02, 2023** in **London, UK**. This year's theme is Emerging the power of nature. Alternative Medicine Congress 2023 will provide an unprecedented opportunity for Traditional Medicine Experts and Herbalists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Traditional Medicine Experts, Herbalists, Acupuncturists, Naturopathic medicine doctors, Ayurveda experts, TCM doctors and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome. With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Alternative Medicine Conference is the perfect venue not only to dive into your particular Alternative medicine interests but also to expand the scope of your knowledge. 15 tracks are devoted to subjects such as the Alternative Medicine Market and Future Scope, Importance of Herbal Medicine, Alternative Medicine-Advanced Treatments & Current Research, Acupuncture, Naturopathic Medicine, Traditional Chinese Medicine, Chiropractic and Osteopathic Medicine, Holistic Nutrition, Ayurveda & Homeopathy, Natural Product Development, Physical Therapies and Rehabilitation, Traditional Veterinary Medicine, Pharmacognosy and Phytochemistry, Arabic and Unani Medicine and Herbal Cosmetics and Nutraceuticals.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Alternative Medicine forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

About Destination London

London is the capital and most populous city of England and the United Kingdom. Standing on the River Thames in the south east of Great Britain. It was founded by the Romans, who named it Londinium. It is one of the world's leading financial centres and has the fifth-or sixth-largest metropolitan area GDP in the world depending on measurement. London is a world cultural capital. It is the world's most-visited city as measured by international arrivals and has the world's largest city airport system measured by passenger traffic. It is the world's leading investment destination, hosting more international retailers and ultra high-net-worth individuals than any other city. London's 43 universities form the largest concentration of higher education institutes in Europe, and according to 2014 report it is placed first in the world university rankings. According to the report London also ranks first in the world in software, multimedia development and design, and shares first position in technology readiness.
