About Montreal

Montreal has been choosen as the destination for Animal Science 2020. It is the largest city in Canada's Quebec province. Montreal is the second-largest population centre in Canada by population in 2016 (3,519,595) It's set on an island in the Saint Lawrence River and named after Mt. Royal, the triple-peaked hill at its heart. Its boroughs, many of which were once independent cities, include neighbourhoods ranging from cobblestoned, French colonial Vieux-Montreal with the Gothic Revival Notre-Dame Basilica at its centre to bohemian Plateau.
