5TH ANNUAL CONGRESS ON

KIDNEY & DIALYSIS

Annual Kidney Congress 2019

November 25-26, 2019 | New York, USA

INVITATION

Meetings International proudly announces the **5th Annual Congress on Kidney & Dialysis** scheduled during **November 25-26, 2019 | New York, USA.** The conference emphasizes the theme "**Raising Awareness to Change the Life & Live with Healthy Kidneys**".

Annual Kidney Congress 2019 is an integration of the science, principle and scientific expertise for the purpose of analyzing, decoding and to lessen kidney-based distress or dysfunction and to promote individual health, non-public improvement by means of dialysis also. This international match will be an amazing opportunity for the Nephrologists and choice practitioners to motivate the profound administration of kidney medication and explore the fine case reviews…

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

ABOUT NEW YORK

New York City's Five Boroughs Brooklyn, Manhattan, the Bronx, Queens and Staten Island are home to 8.2 million inhabitants and a travel destination for millions of visitors every year (50.5 million in 2016, to be exact). One of the world's great Metropolis, New York City is a global Center for Dental science, research, entertainment, art, fashion, media, finance, and trade. The bustling, cosmopolitan heart of the 4th largest megalopolis in the world and by far the most populous city in the United States, New York has long been a key entry point and a elucidate city for the nation. From the Empire State Building towering over the Manhattan skyline, to the Statue of Liberty in the harbour, from the skyscrapers of Wall Street, to the tunnels of the subway, from the naturalistic beauty of Central Park, to the bright signs of Times Square, and from Coney Island in Brooklyn to the Yankee Stadium in the Bronx, New York's landmarks are quintessential American landmarks. Home to the Statue of Liberty, Times Square, Empire State Building, and other iconic sites, New York City is a fast-paced, globally influential Center of art, culture, finance and fashion. The Metropolis 5 boroughs sit where the Hudson River meets the Atlantic Ocean, with the island borough of Manhattan at the "Big Apple" core.
