ABOUT AMSTERDAM

Amsterdam is the Netherlands' capital, known for its artistic heritage, elaborate canal system and narrow houses with gabled facades, legacies of the city's 17th-century Golden Age. Its Museum District houses the Van Gogh Museum, works by Rembrandt and Vermeer at the Rijksmuseum, and modern art at the Stedelijk. Cycling is key to the city's character, and there are numerous bike paths.It is also the country's largest city, with a population of more than 851,000, and the most visited, with over 3,5 million foreign visitors a year.The Netherlands is a country situated in Western Europe, bordering Belgium to the south and Germany to the east. To its north and west is the North Sea. Although the Netherlands is the country's official name, people often call it Holland.
