# Invitation

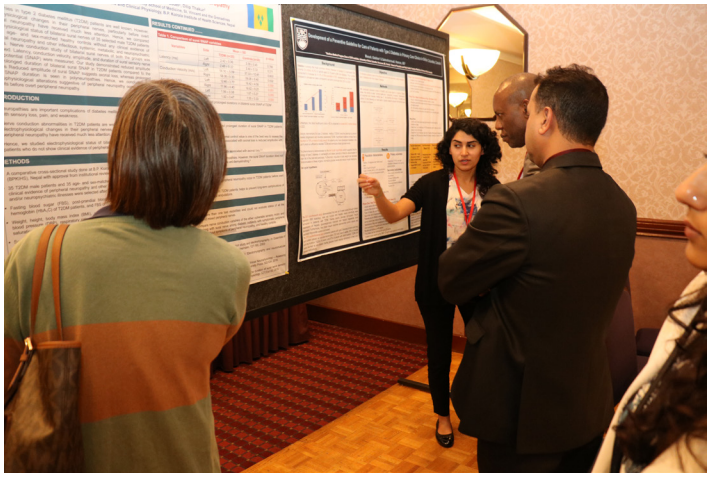

Meetings International proudly announces the ***World congress on Antibiotics*** scheduled during ***August 13-14, 2018*** in ***Rome, Italy***. The conference emphasizes the theme "***Improving World Health with Antibiotics***".

Meetings International provides an international dais for scientists and plant science professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. World congress on antibiotics 2018 brings upon an initial platform to share and consider all the modernizations and potential benefits and drawbacks of antibiotics in avoiding and control of diseases. This conference helps to reduce unnecessary antibiotic use. The gathering incorporates Plenary lectures, keynote lectures by famous personalities from around the world in addition to poster presentation, young researcher sessions, symposiums, workshop and Exhibitions.

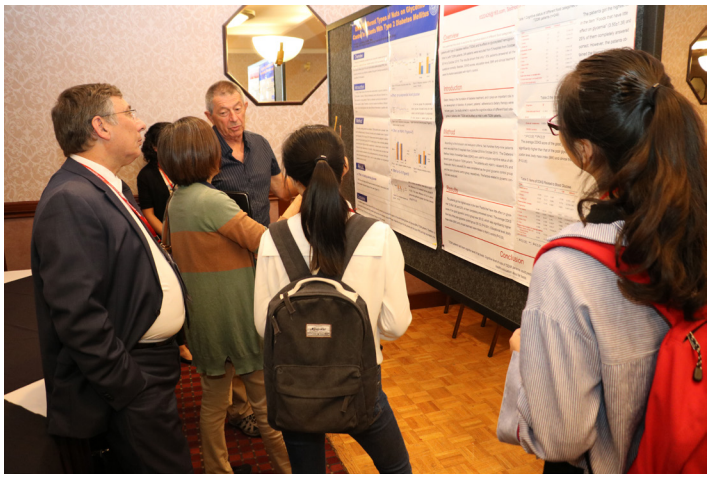

Sincerely,
Operating Committee
