Invitation

Meetings International proudly announces the **3rd World Congress on Antibiotics** scheduled during **June 22-23, 2020 in Zurich, Switzerland.** The conference emphasizes the theme "**Antibiotics: Use Wisely; Take Precisely**".

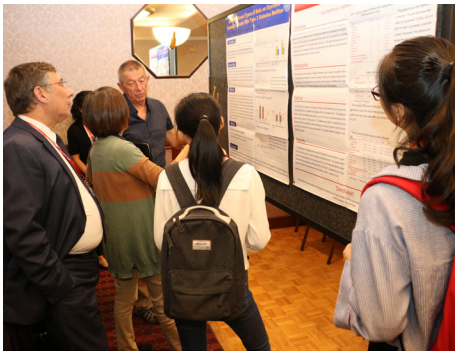

Meetings International provides an international dais for scientists and HealthCare professionals to Exchange Ideas, Knowledge and Networking at its 100+ International Conferences. Antibiotics 2020 will be a platform for plenary speakers, Keynote speakers, Invited speakers and Young Researchers as well as for the youth generation. Likewise, a variety of poster presentations alongside workshops and special sessions would be on the agenda. The summit will work as a discussion point for researchers and experts from all around the world to discuss the modern lifestyle, its effects, diseases and prevention for a healthy society

Sincerely,
Operating Committee
