Tentative Program

4th International Conference on

Antibiotics and Antimicrobial Resistance

May 23-24, 2022

Rome, Italy

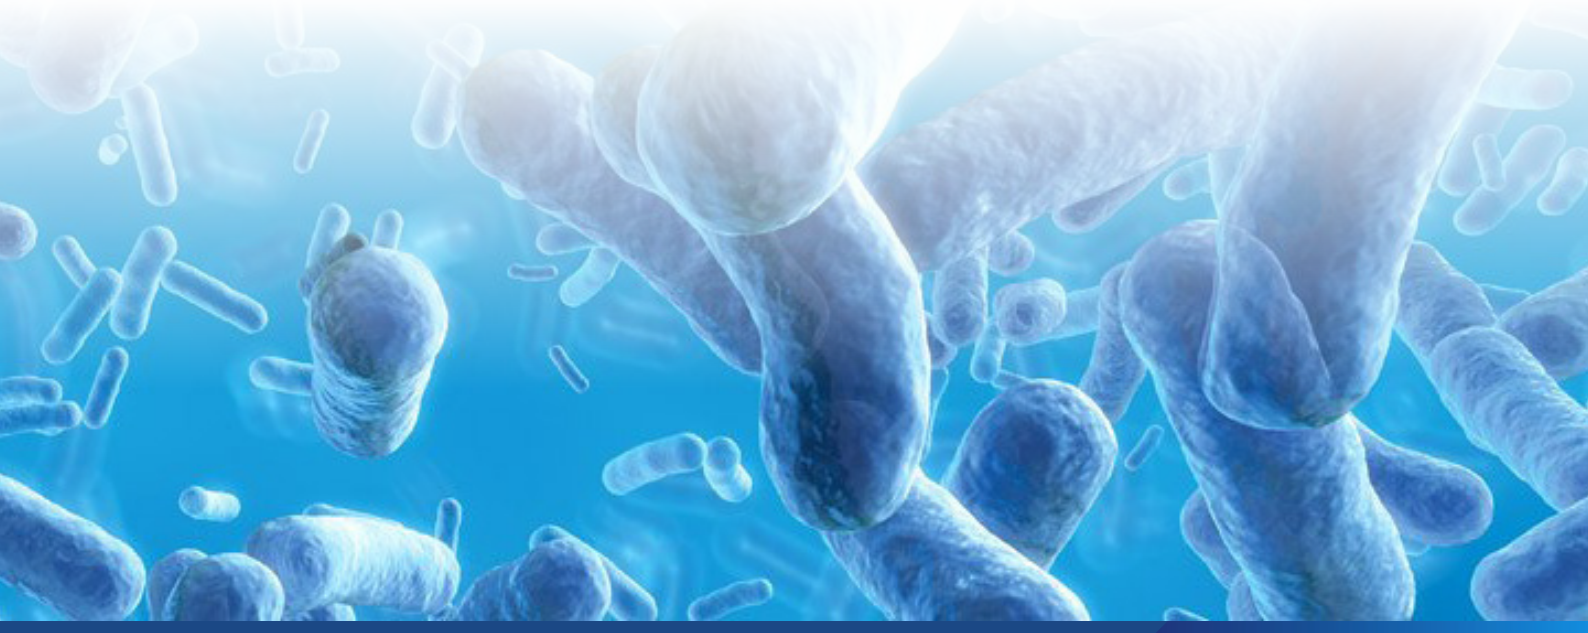

https://www.meetingsint.com/conferences/antibiotics

Dear Colleagues

4th International Conference on Antibiotics and Antimicrobial Resistance scheduled in Rome, Italy during May 23-24, 2022 with the Theme:- United to Preserve Antimicrobials and Innovative Approaches in the Field of Antibiotics. Antibiotics 2022 is organized to unite scientists, researchers, teachers, business delegates, students and research associates to communicate about their experience, knowledge and also about the on-going research. Antibiotics conference focuses on a wide array of sessions which are of scientific interest and also need of the hour which incorporate, General Pharmacology of Antibiotics, Antibiotics for Emerging & Re-Emerging Diseases, Microorganisms in Recent Drug discovery, Over the Counter Antibiotics, Genetics of Antimicrobial Resistance, Generic Antibiotics, Veterinary Antibiotics and Antibiotic Shortage a Serious Safety Concern. Antibiotics 2022 conference gathering incorporates Plenary lectures, keynote lectures by eminent personalities from around the world in addition to poster presentation, young researcher sessions, symposiums, workshop, and Exhibitors. Antibiotics 2022 Con-gress is confident that it will definitely offer all participants an unforgettable experience in exploring new opportunities.

Conference Highlights :

- Pharmacology of Antibiotics
- Genetics of Antimicrobial Resistance
- Antibiotic Therapy
- Antibiotic Resistance & Prevention
- Antibiotics in Oncology
- Antibiotics for Emerging and Re-Emerging Diseases
- Infectious Diseases
- The antibiotics markets & business opportunities
- Clinical trials of antibiotics
- Interaction & Side Effects of Antibiotics

Conference on Antibiotics and Antimicrobial Resistance	
May 23-24, 2022 | Time: 09:10 AM , Rome, Italy.	
09:10 -09:30	**Title: Pharmacology of Antibiotics**
	Mr.Anam Liaqat , Riphah International University, Pakistan
09:30-10:00	**Title: Inorganic Antibiotics based on Metal Oxide Nanocomposites**
	Mayank Bhushan , North Eastern Hill University, India
10:00-10:30	**Title: New potent staphylococcal biofilm inhibitors as valuable anti-virulence compounds in the struggle against antibiotic resistance**
	Dr Cascioferro S, Università degli Studi di Palermo, Italy
10:30-11:00	Title: **The mighty human microbiome: a key to solving the problem of AMR in primary care**
	Esther van der Werf, University of Bristolv , UK
11:00-11:30	**Title: Sewage Surveillance: A Potential Tool to Reveal Antibiotic Resistance in the Community**
	K M Zillur Rahman, University of New South Wales , , Australia
11:30-12-00	**Title: Tridecaptins: An undershadowed class of antibiotics to combat colistin- and multidrug-resistant Enterobacteriaceae**
	Manoj Jangra, CSIR-Institute of Microbial Technology, India
12:00-12:30	**Title: New Class of Antibacterial Ointment against Multi-drug Resistant Pathogens**
	Santi M. Mandal, Indian Institute of Technology Kharagpur, India
12:30-01:00	**Title: Drugs resistant Mycobacterium tuberculosis isolated from Sudanese patients**
	Yousif Mohammed Alfatih, Sudan international University ,Sudan
01:00-01:30 - Lunch Break	
01:30-02:00	**Title: Detection of a novel mutation G511T in the 530 loop in 16S rRNA in multi drugs resistant Mycobacterium tuberculosis isolated from Sudanese patients**
	Mohamed Ahmed Salih , University of Khartoum, Sudan
02:00-02:30	**Title: The importance of nurturing resilience in our health**
	Mcgowan, CSIR-Institute of Microbial Technology, India
02:30-03:00	**Title: New potent staphylococcal biofilm inhibitors as valuable anti-virulence compounds in the struggle against antibiotic resistance**
	Parrino B, Università degli Studi di Palermo ,Italy
03:00- 03:30	**Title: valuable anti-virulence compounds in the struggle against antibiotic resistance**
	Cirrincione G ,Università degli Studi di Palermo, Italy
03:30-04:00	**YET TO BE ANNOUNCED**
04:00-04:30	
04:30-05:00	

About Rome

Destination Italy, a Nations Online country profile of “Bella Italia” - beautiful Italy, how many Italians love to call their country. Italy is located in southern Europe on the Apennine Peninsula. Its distinct shape, resembling a kicking boot, makes it easy to recognize it on maps or even from space. The Adriatic Sea borders the peninsula in the east, the Sea of Sicily in the south, the Ionian Sea in the southeast, the Ligurian Sea and the Tyrrhenian Sea in the west; all those seas are parts of the Mediterranean Sea.

Italy has international borders with Austria, France, the Holy See (Vatican City), San Marino, Slovenia, and Switzerland. It also shares maritime borders with Albania, Algeria, Croatia, Greece, Libya, Malta, Montenegro, Spain, and Tunisia. Two of the largest Mediterranean islands belong to Italy, Sardinia in the west and Sicily in the south. The country covers an area of 301,318 km² (116,340 sq. mi.), compared, it is about 80% the size of Japan or slightly larger than the U.S. state of Arizona.
