International Conference on

Applied Materials and Technology

April 27-28,2021 | Singapore City , Singapore

https://www.meetingsint.com/conferences/appliedmaterials

Invitation

Dear Attendees

Meetings International proudly announces the ***International Conference on Applied Materials*** scheduled during ***April 27-28,2021 in Singapore City , Singapore***.

The conference emphasizes the theme "***Invention and Innovation of New Concepts in the field of Applied Materials***".

The Applied Materials 2021 gathering gives a mind-blowing opportunity to discuss the latest progressions inside the field. This conference brings together the innovations in Applied Materials and brings the key opinion leaders and thought leaders in the field from around the world for two intensive days of scientific presentations, networking as well as engagement with companies developing innovations in tools and technologies in this space. The purpose of Applied Materials 2021 is to provide an international technical forum to showcase recent advances in Materials , Nanotechnology, Science and Technology conference operation committee is providing a platform for all the budding young researchers, young investigators to showcase their research and innovation.

Sincerely,

Operating Committee

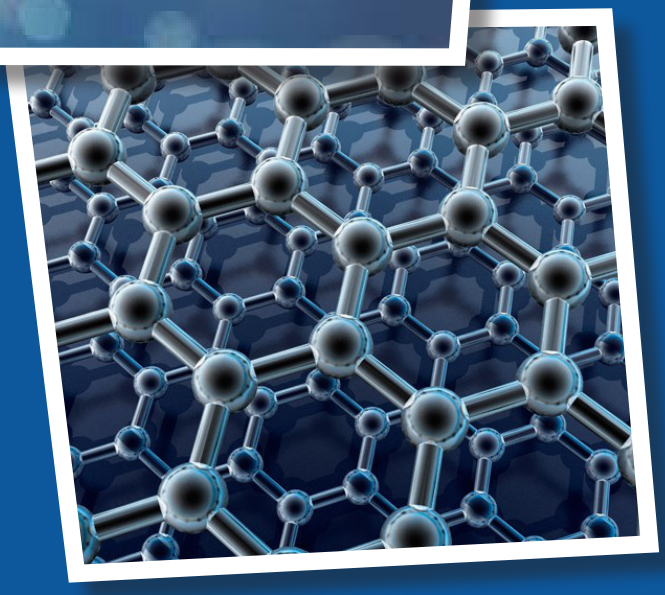

Applied Materials 2021

Conference Highlights

- Applied Materials
- Nanotechnology
- Imaging of Materials
- Functional Materials
- Electronic Materials
- Advanced Materials
- Materials in Healthcare
- Biosensors and Bioelectronic Materials
- Material Synthesis and Characterization
- Characterization and Testing of Materials
- Analytical Techniques and Instrumentation
- Science and Technology of Applied Materials

- To identify the future directions of research
- Peer review and high quality publication
- Quality research

Singapore Attractions

Explore Singapore

Singapore , authoritatively the Republic of Singapore, is a sovereign island city-state in sea Southeast Asia. The nation's domain is made out of one fundamental island, 63 satellite islands and islets, and one remote islet, the consolidated region of which has expanded by 25% since the nation's autonomy because of broad land recovery ventures. The nation is home to 5.7 million inhabitants, 61% (3.4 million) of whom are Singaporean residents. There are four authority dialects of Singapore: English, Malay, Chinese, and Tamil; with English being the most widely used language. Multiracialism is revered in the constitution, and keeps on forming national arrangements in instruction, lodging, and politics.Singapore is a unitary parliamentary republic with a Westminster arrangement of unicameral parliamentary government.

Venue

Singapore City, Singapore

Important Dates

Early Bird: ***August 25, 2020***

Abstract Submission Deadline: ***August 20, 2020***
