2ND INTERNATIONAL CONFERENCE ON

AQUACULTURE & MARINE BIOLOGY

Aqua 2019

March 18-19, 2019 | Osaka, Japan

http://www.meetingsint.com/agri-aqua-conferences/aquaculture

Invitation

Meetings International proudly announces the ***2nd International Conference on Aquaculture & Marine Biology*** scheduled during ***March 18-19, 2019*** in ***Osaka, Japan***. The conference emphasizes the theme "***New Advancements in Aquaculture & Marine Biology***".

Meetings International provides an international dais for scientists and aquaculture science professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. Aquaculture plays an important role in ensuring a sufficient supply of nutritious food to feed the world's growing population. Thus, priorities are given for the aquaculture research to support the ever-growing population of the world.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

- Coral Reefs
- Limnology

Meetings Int. offers

An unique platform for top level research and innovation

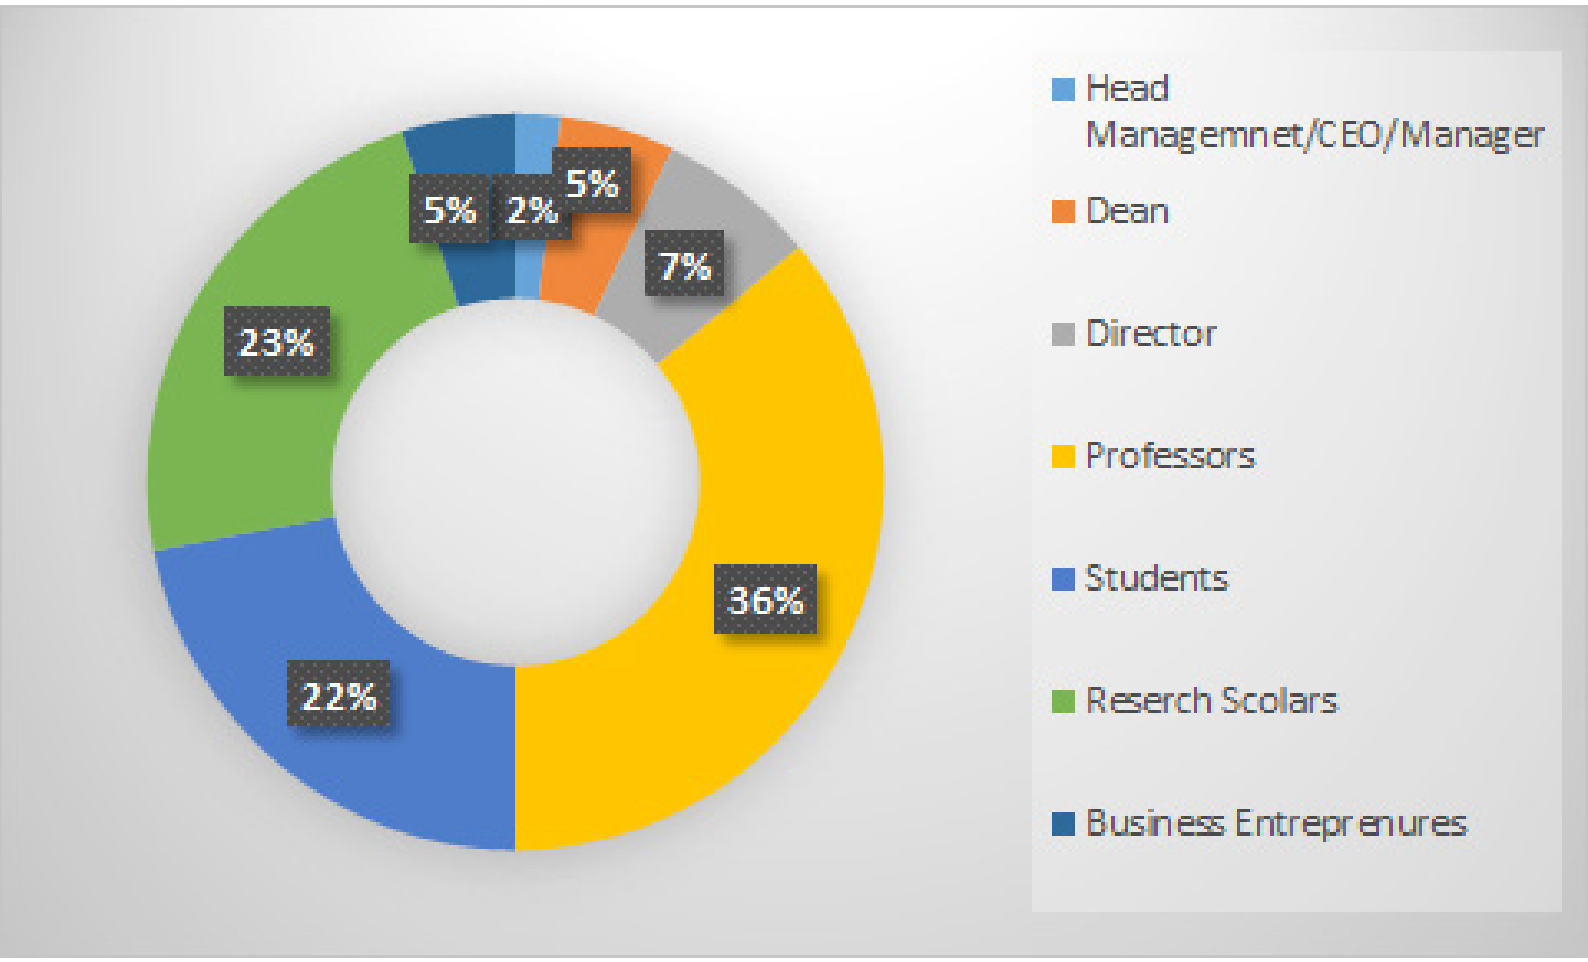

WE VALUE

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore Osaka

Osaka is a designated city in the Kansai region of Japan. It is the capital city of Osaka Prefecture and the largest component of the Keihanshin Metropolitan Area, the second largest metropolitan area in Japan and among the largest in the world with over 19 million inhabitants. Situated at the mouth of the Yodo River on Osaka Bay, Osaka is the second largest city in Japan by daytime population after Tokyo's 23 wards and the third largest city by nighttime population after Tokyo's 23 wards and Yokohama, serving as a major economic hub for the country. The city's west side is open to Osaka Bay, and is otherwise completely surrounded by more than ten satellite cities, all of them in Osaka Prefecture, with one exception: the city of Amagasaki, belonging to Hyōgo Prefecture, in the northwest.
