Artificial Intelligence and Cognitive Healthcare Conference

June 22-23, 2020 | Venice, Italy

Artificial Intelligence 2020

Invitation

Artificial Intelligence 2020

Dear Attendees,

Meetings International proudly announces the Artificial Intelligence and Cognitive Healthcare Conference scheduled during June 22-23, 2020 in Venice, Italy. The conference emphasizes the theme "Shorthand for a combination of technologies".

The purpose of this conference is to provide an international technical forum to showcase recent advances in Artificial Intelligence and Cognitive Healthcare Conference and systems have created a tremendous interest in many application fields, including life sciences, Point of care diagnostics, and environmental applications. The conference aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Artificial Intelligence and its development. There is an extensive international perspective at this conference with speakers, poster presenters, sponsors, and exhibitors from Europe, US, and Asia/Pacific.

Sincerely,

Operating Committee

Conference Highlights

Artificial Intelligence 2020

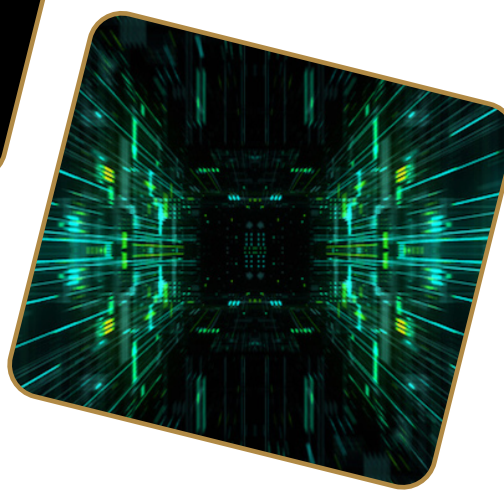

- Information fusion
- Evolutionary Computation
- Machine language and Computing
- Artificial Neural Networks
- Robotic Process Automation
- Data mining with big data
- Neural System
- Machine & minds
- Computer vision & perception
- Virtual Intelligence
- Speech Recognition
- Natural language processing
