Meetings International

2nd International Conference on

# Artificial Intelligence Automation and Robotics

August 26-27, 2020 | Dubai, UAE

Artificial Intelligence 2020

# Invitation

## Artificial Intelligence 2020

Dear Attendees,

Meetings International proudly announces the 2nd International Conference on Artificial Intelligence, Automation and Robotics scheduled during August 26-27, 2020 in Dubai, UAE. The conference emphasizes the theme "Shorthand for a combination of technologies".

The purpose of this conference is to provide an international technical forum to showcase recent advances in Artificial Intelligence, Automation and Robotics and systems have created a tremendous interest in many application fields, including life sciences, Point of care diagnostics, and environmental applications. The conference aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Artificial Intelligence and its development. There is an extensive international perspective at this conference with speakers, poster presenters, sponsors, and exhibitors from Europe, US, and Asia/Pacific.

Sincerely,

Operating Committee

# Conference Highlights

**Artificial Intelligence 2020**

- AI & Robotics
- Artificial Neural Networks
- Evolutionary Computation
- Machine Learning & Computing
- Machines and Minds
- Robotic Process Automation
- Speech Recognition
- Natural Language Processing
- Robotics in Industry
- Data Mining with Big Data
- Role of Automation in Robotics
- Applications of Automation
- Ethics of AI
- Modern Artificial Intelligence

To identify the future directions of research

Peer review and high quality publication

Quality research

# Explore Dubai

Dubai is the most beautiful city in the United Arab Emirates. Dubai was gaining popularity in recent years until the global economic crash of 2008. Dubai is essentially a desert city well with superb infrastructure, liberal policies (by regional standards), that became popular for its excellent tourist amenities. Just 5 h from Europe and 3 h from most parts of the Middle East, the Near East, and the subcontinent of India, Dubai makes a great short break for shopping, partying, sunbathing, fine dining, sporting events, and even a few sinful pleasures. It is a city of superlatives: for the fastest, biggest, tallest, largest and highest, Dubai is the destination. It has the largest immigrant population in the world.
