Dubai Attractions

Explore Dubai

Dubai is the most beautiful city in the United Arab Emirates. Dubai was gaining popularity in recent years until the global economic crash of 2008. Dubai is essentially a desert city well with superb infrastructure, liberal policies (by regional standards), that became popular for its excellent tourist amenities. Just 5 h from Europe and 3 h from most parts of the Middle East, the Near East, and the sub-continent of India, Dubai makes a great short break for shopping, partying, sunbathing, fine dining, sporting events, and even a few sinful pleasures. It is a city of superlatives: for the fastest, biggest, tallest, largest and highest, Dubai is the destination. It has the largest immigrant population in the world.
