Meetings International

15th World Congress On

# Bioavailability & Bioequivalence

*July 29-30, 2019 | Bangkok, Thailand*

**Theme:**

**Essential Innovation In The Field Of Pharmaceutical Science For Public And Medical Health**

*https://www.meetingsint.com/conferences/bioavailability-bioequivalence*

| Scientific Program |
| --- |
| 15th World Congress On Bioavailability & Bioequivalence |
| Day 1,July 29, 2019 Bangkok \| Thailand |
| Registration |
| Opening Ceremony |
| Introduction |
| Keynote Forum |
| Title: Bio-Equivalence of Ciprofloxacin 500mg |
| Khalid Aftab, University of Health Sciences and Liaquat National Hospital Medical College, Karachi – Pakistan |
| Abstract: The Pharmacokinetic and bio-availabilities of two brands of Ciprofloxacin - 500 mg tablets, from local and multinational firms |
| Biography: Khalid AFTAB, PhD male, Pharmacologist, graduated from department of Pharmacology, Faculty of Pharmacy, University of Karachi, Pakistan in 1995. He worked for Pharmaceuticals industry as Quality Control & Quality Assurance professional and was actively involved in Research & Development of Pharmaceutical |
| Title: T-Ray Scanning And Detection Of Illicit Drugs Under Covering |
| Moumita Mukherjee, Associate Dean & Academic Coordinator - School of Science. |
| Abstract: Terahertz Science and Technology is rapidly developing all over the World. Owing to its non-ionizing properties and high frequency, Terahertz devices are becoming extremely important for application in Biomedical as well as Pharmaceutical Industries. |
| Biography: He works as a Associate Dean & Academic Coordinator - School of Science<br>ADAMAS UNIVERSITY |
| **********Keynote Slot available********** |
| Group Photo |
| Tea Break |
| WorkShop |
| **********WorkShop Slot is available********** |
| Oral Session I |
| |
| Session Introduction |
| Title: Advanced In Biomass And Biogas Energy |
| Abdeen Mustafa Omer, Energy Research Institute, Forest Road West, Nottingham, UK |
| Abstract: There is strong scientific evidence that the average temperature of the earth's surface is rising and this may be attribute to increased concentration of carbon dioxide (CO2), and other greenhouse gases (GHGs) in the atmosphere as released by burning fossil fuels. |
| Biography: Energy Research Institute, Forest Road West, Nottingham, UK |
| **********Speaker Slot Available********** |
| Lunch Break |
| **********Speaker Slot Available********** |
| Title: A Bioequivalence Study of Two Memantine Hydrochloride Film Coated Tablets Formulations Assessed in Healthy Indonesian Subjects |
| Yahdiana Harahap, Faculty of Pharmacy, Universitas Indonesia, Depok, Indonesia |
| Abstract: Statement of the problem: Memantine hydrochloride is an N-Methyl-D-aspartate (NMDA) receptor antagonist and approved for treatment of moderate to severe Alzheimer's disease. |
| Biography: Dr. Yahdiana Harahap is a Professor in the field of Pharmaceutical Chemistry especially Bioanaysis related to bioequivalence study and DNA Adduct. |
| Title: Application of Traditional Knowledge in Search of Potential Leads for Drug Discovery |

| |
|---|
| Rakesh Maurya, Medicinal and Process Chemistry Division CSIR-Central Drug Research Institute Lucknow 226 031, |
| Abstract: Osteoporosis is now widely recognized as a public health problem. This disease which increases bone fragility and thereby the risk of fractures, is associated with high mortality, morbidity and medical expenses |
| Biography: Rakesh Maurya works in the drug research institute lucknow. |
| Tea Break |

| |
| Session Adjournment |
| |
| Day 2,July 30, 2019 Bangkok \| Thailand |
| Keynote Forum |
| Title: Traditional medicinal plants explored to develop a male contraceptive |
| Pratap Chand Mali, University of Rajasthan, Jaipur– 302004 India |
| 70 million pregnancies are unwanted. Objective: Although contraceptive have been used since time immemorial to check fertility |
| Biography: DR. PRATAP CHAND MALI, working as Associate Professor at Department of Zoology, Centre for Advanced Studies, University of Rajasthan, and Jaipur-302004 (India) .Specialization: Reproductive Physiology |
| **********Keynote Slot available********** |
| Tea Break |
| **********Keynote Slot available********** |
| |
| WorkShop |
| **********WorkShop Slot is available********** |
| Oral Session II |
| Title: Challenges and bioequivalence requirements of orally inhaled drug products (OIPs) for USFDA and EMEA |
| Muneesh Garg, Affiliation: Sitec Labs. Pvt. Ltd., Navi Mumbai, India. |
| Abstract: Orally inhaled drug products (OIDPs) are a class of products that includes dry powder inhaler (DPI), metered-dose inhaler (MDI), and nebulization products. |
| Biography: Dr Muneesh Garg has completed his MD (Physician) from Dagestan State Medical Academy, Russia and MD (Pharmacology) from Goverment Medical College, Patiala, India. |
| |
| **********Speaker Slot Available********** |
| Title: New records of powdery mildew diseases on some medicinal plants from Gautala forest of Dist Aurangabad in Marathwada |
| S. M. Pawar, UG & PG , Department of Botany, Shivaji College Kannad ,Dist. Aurangabad,431103 (M.S). INDIA |
| Abstract: The powdery mildew fungi are obligate parasites, and are highly pathogenic to the variety of medicinal plants in this area. During extensive survey it was noticed that totally thirty two medicinal plants from different families are found to be susceptible as good host for powdery mildew fungi |
| Biography: S. M. Pawar works in the department of botany |
| |
| **********Speaker Slot Available********** |
| |
| **********Speaker Slot Available********** |
| Conference Adjournment |

# About Banakok

Bangkok, official name Krung Thep Maha Nakhon, is the capital of Thailand and, with a population of over eleven million inhabitants, by far its largest city. Its high-rise buildings, heavy traffic congestion, intense heat and naughty nightlife may not immediately give you the best impression — but don't let that mislead you. It is one of Asia's most cosmopolitan cities with magnificent temples and palaces, authentic canals, busy markets and a vibrant nightlife that has something for everyone. Bangkok is one of the world's top tourist destination cities. MasterCard ranked Bangkok as the global top destination city by international visitor arrivals in its Global Destination Cities Index, with 15.98 million projected visitors in 2013. It has topped the MasterCard Global Destinations Cities Index as the most visited city in the world in 2012, 2013, and 2016. The city is ranked fourth in cross-border spending, with 14.3 billion dollars projected for 2013, after New York, London and Paris.
