Invitation

Dear Attendees,

Meetings International proudly announces the ***International Conference on Bioavailability and Bioequivalence*** scheduled during ***July 19-20 in Dubai, UAE***

The conference emphasizes the theme "BABE: Outspreading latest Innovation in Public and Medical Health".

The BABE-2021 gathering gives a mind-blowing opportunity to discuss the latest progressions inside the field. This conference brings together the innovations in microfluidics and brings the key opinion leaders and thought leaders in the field from around the world for two intensive days of scientific presentations, networking as well as engagement with companies developing innovations in tools and technologies in this space. The purpose of BABE-2021 is to provide an international technical forum to showcase recent advances in Drug design & Development. BABE-2021 conference operation committee is providing a platform for all the budding young researchers, young investigators to showcase their research and innovation.

Sincerely,

Operating Committee

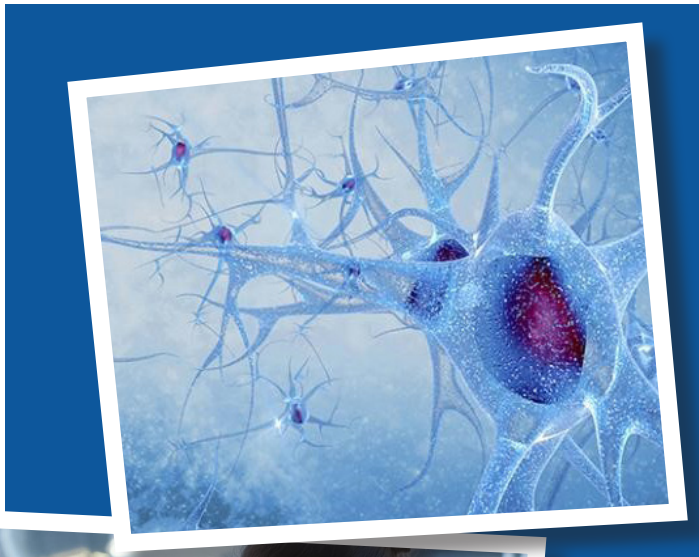

BABE-2021

Conference Highlights

- Drug metabolism
- Absolute & Relative bio-availability
- First pass metabolism
- Pharmaceutical equivalents
- Drug Design and evolution
- Factors affecting Bio-availabity of drug
- Pharmacokinetic & pharmacodynamics
- In vitro and In vivo studies
- Applied Bio pharmaceutics
- FDA in bioequivalence

- To identify the future directions of research
- Peer review and high quality publication
- Quality research

UAE Attractions

Explore Dubai

Dubai is emirate of the United Arab Emirates. The second generally crowded and second biggest condition of the alliance .It is generally rectangular, with a facade of around 45 miles on the Persian Gulf. The city is arranged on a little creek in the upper east aspect of the state. More than nine-tenths of the emirate's populace lives in the capital and firmly developed segments. Dubai is encircled by Abu Dhabi on the south and west and by Al-ShÄriqah on the east and upper east.

Dubai is the most swarmed and the greatest city in the United Arab Emirates (UAE). It is organized on the southeast bank of the Persian Gulf and is the capital of the Emirate of Dubai, one of the seven emirates that make up the country. The city of Dubai is organized on the emirate's northern coastline and heads the Dubai-Sharjah-Ajman metropolitan district. The emirate of Dubai offers edges to Abu Dhabi in the south, Sharjah in the upper east, and the Sultanate of Oman in the southeast.

Venue
UAE, Dubai

Important Dates

Early Bird: ***March 28, 2021***

Abstract Submission Deadline: ***May 20, 2021***
