ABOUT DESTINATION ATLANTA

Full of energy and packed with cultural attractions, Madrid is a modern metropolis that offers a taste of the real Spain. Wide avenues are congested with traffic, but beautiful parks break up the urban sprawl.

Madrid doesn’t have the traditional charm of Andalusia or the beauty of Barcelona, instead, it is a hub of social life with a happening café culture and bustling nightlife. Constantly buzzing with activity, the city offers so much to see and do that tourists will be spoiled for choice.

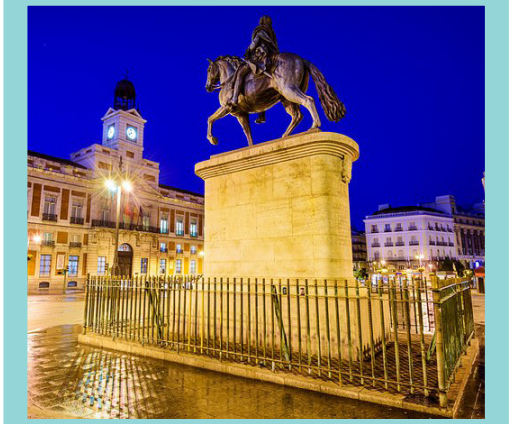

The world-class Prado Museum displays an endless array of masterpieces created during the Golden Age of Spain, and the 18th-century Royal Palace rivals the Château de Versailles in France.

Visitors should be sure to experience Madrid in the evening, when the city really comes to life. Madrileños love going out on the town, and the paseo por la noche (evening stroll) is a cherished ritual.

If possible, it’s best to avoid visiting during summer when the heat is oppressive. Savvy travelers come to Madrid during the springtime or autumn to take advantage of more mild weather.
