ABOUT BRUSSELS

Brussels, the capital city of Belgium and one of the top visited places in Europe. The city is popular for its famous beer, breweries, and its famous handmade chocolates.it has many tourists places to visit. Atomium is one of the famous place to visit, which was constructed for the post-war universal exhibition(EXPO-58). The nine spheres represent an iron crystal magnified 165 billion times. They represent the faith one had in the power of science & nuclear power. Town wall is also one of the most visited place as it is only the remaining medieval building of the Grand place and is considered a master piece of civil Gothic architecture.
