Invitation

Dear Attendees,

Meetings International proudly announces the ***20th World Bioenergy Congress Conference on Bioenergy and Biomass scheduled during April 19-20, 2021 in Tokyo, Japan***

The conference emphasizes the theme "Biomass sustainability and Bioenergy for expanding a new horizon".

The BIOENERGY 2021 gathering gives a mind-blowing opportunity to discuss the latest progressions inside the field. It will give an overall stage to look at about the present and future troubles in Bioenergy, Biomass, Biofuels and its related topics. With huge delight, Bioenergy and Biomassalongside the Organizing Committee Members welcome every one of the members from all over the globe to attend the conference. It provides a great opportunity for establishing strong relations between the dental organizations, the general public, and government so that they can work together to achieve new horizon in the field of Bioenergy and Biomass. BIOENERGY 2021 focuses mainly on Biomass Resources, Biopower, Biofuels, Biobased chemicals and materials, Biorefineries, Biochar. Bioenergy 2021 conference operation committee is providing a platform for all the budding young researchers, young investigators, postgraduate/ Master students, PhD. students and trainees to showcase their research and innovation.

Sincerely,

BIOENERGY 2021

Advanced Dentistry 2021

BIOENERGY 2021

Conference Highlights

- Biomass Resources
- Biopower
- Biofuels
- Biobased chemicals and materials
- Integrated Biomass Systems and Assessments
- Biorefineries
- Biochar
- Global Renewable Bioenergy trends
- H2 from Biomass
- Conventional Combustion

- To identify the future directions of research
- Peer review and high quality publication
- Quality research

Tokyo Attractions

Explore Tokyo

Tokyo officially Tokyo Metropolis is the capital and most populous prefecture of Japan. Located at the head of Tokyo Bay, the prefecture forms part of the Kanto region on the central Pacific coast of Japan's main island, Honshu. Tokyo is the political and economic center of the country, as well as the seat of the Emperor of Japan and the national government. The Greater Tokyo Area is the most populous metropolitan area in the world. Tokyo is the largest urban economy in the world by gross domestic product, and is categorized as an Alpha+ city by the Globalization and World Cities Research Network. Part of an industrial region that includes the cities of Yokohama, Kawasaki, and Chiba, Tokyo is Japan's leading center of business and finance. Tokyo was originally a small fishing village named Edo, in what was formerly part of the old Musashi Province. Edo was first fortified by the Edo clan, in the late twelfth century.
