Singapore Attractions

Explore Singapore

Singapore is the largest port in Southeast Asia and one of the busiest in the world. It owes its growth and prosperity to its focal position at the southern extremity of the Malay Peninsula, where it dominates the Strait of Malacca, which connects the Indian Ocean to the South China Sea. Once a British colony and now a member of the Commonwealth, Singapore first joined the Federation of Malaysia on its formation in 1963 but seceded to become an independent state on August 9, 1965.During springtime the flower gardens become great tourist attractions in the Singapore providing a bold spectacle of vivid colors. The famous attractive places in Singapore are Marina Bay Sands, Gardens by the Bay, Singapore Zoo, Orchard Road, Singapore Flyer, Sentosa Island and many more.
