

EuroSciCon

November 04 - 05, 2019

Dubai, UAE

International conference on

Biofuels & Bioenergy

Theme:

Global Methods & Technologies in Biofuels & Bioenergies

EuroSciCon

Biofuels & Bioenergy

2019

Invitation

Welcome to Dubai, the city known for its artistic heritage, and experience the novel technologies of Biofuels & Bioenergy as never before. EuroSciCon is proud to host the International conference on Biofuels & Bioenergy, Novenber 25-27, 2019 in Dubai, UAE. This year's theme is Global Methods & Technologies in Biofuels & Bioenergies .

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

November 04 - 05, 2019

Dubai, UAE

EuroSciCon

Biofuels & Bioenergy

2019

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us:

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Biofuels & Bioenergy accessing the website, Biofuels & Bioenergy 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Biofuels & Bioenergy 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives

Nurture connexions

Agenda format which incorporates ample Q&A time

Partake in our revamped exhibitor expo sessions

Meet and listen to the relevant clients

Unprecedented growth creating an unparalleled market place

Dubai, UAE

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience

It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries

Over 25 Million+ Visitors and 20000+ Unique Visitors per conference

World's leading industries and companies attend

Career guidance for early career researchers and students

Provides insights you need to take your research to the next level

A huge conclave of high tech and science priests

EuroSciCon

Biofuels & Bioenergy

2019

Who'd be attending?

International conference on Biofuels & Bioenergy plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Chemical engineers, Energy Engineers, Mechanical Engineers, Chemical industry professionals, Chemistry people, Biotechnology Engineers, Environmental engineers .

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Bioenergy
- Advanced Biofuels
- Algae Biofuels
- Biodiesel
- Biomass
- Biogas
- Bio Refineries
- Aviation Biofuels
- Production of Biofuels
- Bioalcohols and Bioethanols
- Biohydrogen
- Biomass Technologies
- Renewable energy
- Biomass feed stocks for renewable energy generation
- Green Chemistry
- Food Vs Fuel debate
- Biomass Processing Technologies
- Biomass Applications
- Biomass Conversion Technologies
- Biomass Energy Resources
- Bioenergy Conversion Methods

About Destination Dubai

The Emirate of Dubai is the second biggest of the seven United Arab Emirates however has the greatest populace at over 2.1 million occupants. Measure has been synonymous with Dubai as it keeps on structure the main, biggest and the greatest developments on the planet. Dubai's elements are constantly transient and consistently changing with its steady inclination to build something preferable and greater over the past. In the event that there was a Palm Island, Nakheel thought of the World Island. Burj Al Arab appeared to be too tentative when Burj Khalifa sprung up, removing itself to being a maverick in the group. Dubai always stays in a suppressive challenge with itself attempting to charge visitors to a marvelous universe of attractions and unfathomable extravagances. The emirate's scoring focuses lie in its enterprising capacities to make the incomprehensible found in its vacation destinations, milestones, strip malls, parks, nightlife and inns. Despite the fact that it carefully defends its customary pra
