

EuroSciCon

14th International Conference on

Biofuels and Biorefinery

December 05-06, 2019
Dubai, UAE

Theme:
Securing the worlds future energy needs

Invitation

W e would like to invite all the participants from all over the world to attend “14th International Conference on Biofuels and Biorefinery” during December 5-6 in Dubai, UAE, which includes prompt keynote presentations, Oral talks, Poster presentations, and Exhibitions.

Biofuels Conference 2019 is a global platform for presenting research about Chemical Engineering related fields. This event brings together the top professionals in the field of chemical Engineering along with the highly affiliated professors to explore the advancements and latest applications achieved in the field. Biofuels Conference 2019 discusses various fields of Biofuel Engineering employed in Petro Chemicals, Petro-chemistry, Chemical Reaction Engineering, Environmental and Green Chemistry, Biomass technology, Biofuels, Advanced Biofuels, Renewable Energy, Nanotechnology In Biofuels, Biorefineries, Bioalcohols And Bioethanol, Biopower Generation Techniques, Biogas, Biodiesel, Green Energy And Economy fields which mark the support for the advanced and much needed research by their study on various topics.

In the light of this theme, the Euroscicon aims to provide a forum for international researchers from various areas of Chemistry, Chemical Engineering, and Renewable Energy by providing a platform for critical analysis of new data, and to share latest cutting-edge research findings and results about all aspects of chemical engineering world. Biofuels Conference 2019 chiefly aims to provide information in analysis and advances in Biofuels and Biorefinery. Biofuels and Bio-refinery has provided many latest researches and findings in recent times and thus Biofuels Conference 2019 would be an ideal platform to showcase and experience these happenings.

We look forward to personally welcoming you to Dubai, UAE - December 05-06, 2019.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

December 05-06, 2019
Dubai, UAE

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

With over 25000+ Chemical Engineers and Biomass Engineers accessing the website, Biofuels Conference 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Biofuels Conference 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

December 05-06, 2019
Dubai, UAE

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

Who'd be attending?

14th International Conference on Biofuels & Biorefinery plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Fuel Engineers, Chemical Engineers, Engineers and Delegates from Aviation and Automobile companies, Directors/ Co-Directors of Research based companies across Europe and US who are investing in Biofuels & Biorefinery and others who stay plunged in learning and practice of the science of technology.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Advanced Biofuels
- Aviation Biofuels
- Production Of Biofuels
- Algae Biofuels
- Renewable Energy
- Nanotechnology In Biofuels
- Biomass Technologies
- Biorefineries
- Bioalcohols And Bioethanol
- Biopower Generation Techniques
- Biogas
- Biodiesel
- Green Energy And Economy

See your work PUBLISHED

in one of our related journals

- Archives in Chemical Research
- Trends in Green Chemistry
- Journal of Organic & Inorganic Chemistry

December 05-06, 2019
Dubai, UAE

About Destination Dubai

Dubai is located on the Eastern coast of the Arabian Peninsula, in the south west corner of the Arabian Gulf. Dubai, a small desert town only 50 years ago, has developed into a vibrant city that is a business and cultural focal point in the Middle East and a popular tourist destination. It is extremely well known for its warm hospitality and rich cultural heritage, and the Emirati people are welcoming and generous in their approach to visitors. Dubai has attracted world attention through large construction projects and sports events, in particular the world's tallest building, the Burj Khalifa. The emirate embraces a wide variety of scenery in a very small area. In a single day, the tourist can experience everything from rugged mountains and awe-inspiring sand dunes to sandy beaches and lush green parks, from dusty villages to luxurious residential districts and from ancient houses with wind towers to ultra-modern shopping malls.

Dubai is a global city and business hub of the Middle East. It is also a major global transport hub for passengers and cargo. Dubai is known for luxury shopping, modern architecture and a lively nightlife scene. Dubai's economy today relies on revenues from trade, tourism, aviation, real estate and there seems to be a never-ending development of innovative and over-the-top projects.

EuroSciCon

Venue and Accomodation

Welcome to the Official Attendee Housing Site for the Biofuels Conference 2019 Conference, which will be held in Dubai, UAE.

December 05-06, 2019
