3RD WORLD BIOMARKERS SUMMIT

July 20-21, 2020 | Paris, France

Meetings International

Invitation

Meetings International proudly announces the 3rd World Biomarkers Summit scheduled during July 20-21, 2020 at Paris, France. The conference emphasizes the theme "Biomarker as a future protagonist".

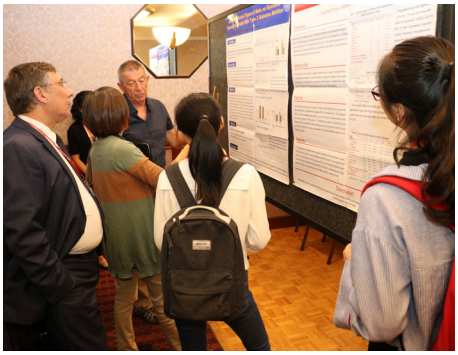

Meetings International provides an international dais for scientists and oncology professionals to Exchange Ideas, Knowledge and Networking at its 100+ International Conferences. Biomarkers 2020 concentrates on procuring emerging researches in the sector of medicine and health brought to us via applications of biomarkers. Scientists, Young researchers, pharmaceutical industrialists and medical professionals are expected to form a global networking through this conference thereby getting and letting explore the topic to a greater extent. This meeting deals with field of immunology, nutrition, epidemiology, cancer biology, targeted cancer therapies and cancer pharmacology, etc.

Sincerely,
Operating Committee
Meetings International PTE LTD.

Meetings International

Meetings Int. offers

An unique platform for top level research and innovation

Conference Highlights

- Biomarkers
- Prognosis, Diagnosis and Prediction
- Lifestyle and Medication
- Cancer Therapies and Therapeutics
- Immuno-Oncology
- Molecular Genetics
- Drug Development
- Nanotechnology for Biomarkers
- Emerging Therapeutic Biomarkers
- Clinical Research & Biomarkers
- Biomarker Testing
- Advances and Future Perspective

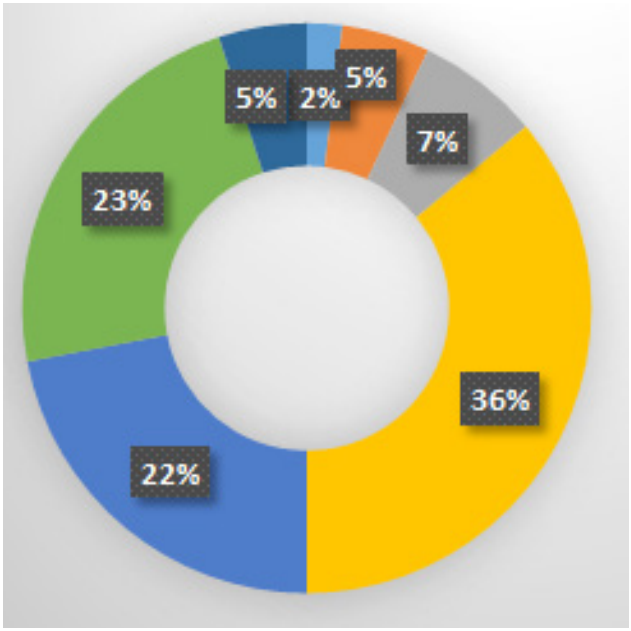

Quality research

To identify the future directions of research

Peer review and high quality publication

Important Dates

Early Bird: **December 28, 2019**

Registration Open: **August 15, 2019**

Abstract Submission Open: **August 15, 2019**

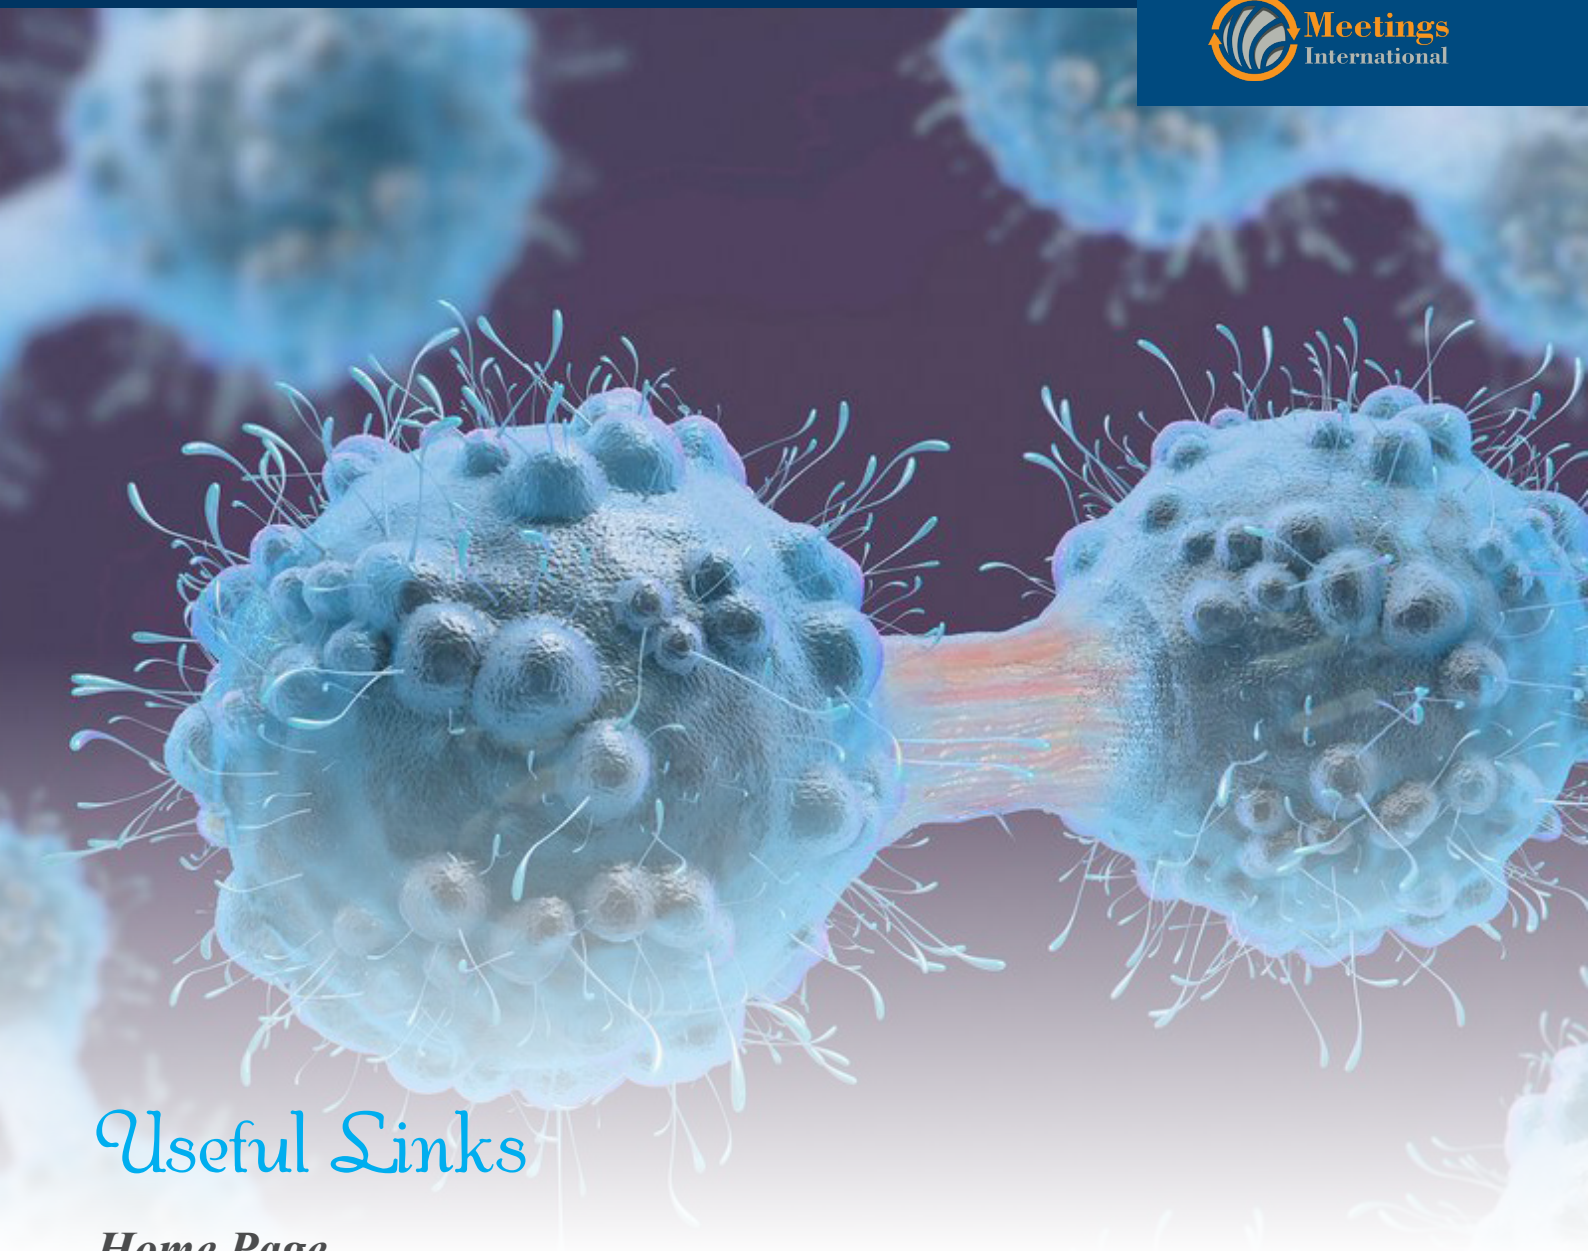

On Spot Registration: **July 20, 2020**

Explore Paris

Paris is that the capital of France and could be a major European town and a world center for art, fashion, gastronomy, and culture. Its 19th-century cityscape is network by wide boulevards and therefore the watercourse Seine Paths through all of these places, even what is considered forest, are either paved and narrow, or wide and permeable. The Paris visite pass (Travelcard) is enclosed free within the Paris pass package and is valid to use for journeys in central Paris on the subway, RER, Buses, Trams and SNCF. Alongside our free downloadable subway map, and free pocket guide, you'll be able to navigate the town with ease creating your rubber-necking even easier and cost-efficient. There area unit over 3,500 public and personal institutes of upper education in France: 72 universities, 25 multi-institute campuses, 271 doctoral schools, 227 engineering schools authorised to award the title of engineer, 220 business and management schools, 45 post-secondary public schools of art, 22 schools of design and 3,000 personal schools and institutes.
