Invitation

Dear Attendees,

6th International Conference on Biosensors and Bioelectronics which will be held during May 20-21, 2022, London, UK The conference will bring together leading scientists, early-career researchers to share their perspectives and gather specialists from these interdisciplinary fields to discuss necessary measures needed to develop a new generation of powerful tools for synergistic development in the field of sensors. Through a progression of encouraging plenary talks, inspiring keynote lectures, workshops, industry-sponsored symposia and exhibitions, the conference provides new information about the use of latest technologies and building new links between disciplines enables discussion and new collaborations. We assure our attendees return to their place with the selfbelief to improve their abilities and outfitted with certified approaches to work with us.

Sincerely,

Operating Committee
