About Miami

Miami is a well-known tourist spot and it is well known for its Cuban, Puerto Rican and Haitian culture. It is nicknamed "The Magic City" because of its rapid growth. Miami has the third tallest skyline in the U.S. with over 300 high-rises. For more than two decades, the Port of Miami, known as the "Cruise Capital of the World", has been the number one cruise passenger port in the world. It accommodates some of the world's largest cruise ships and operations, and is the busiest port in both passenger traffic and cruise lines. In addition to annual festivals like Calle Ocho Festival and Carnaval Miami, Miami is home to many entertainment venues, theaters, museums, parks and performing arts centres.
