Explore Rome

ROME is the capital city of Italy. Rome is located in the central-western portion of the Italian Peninsula. Rome has an extensive internal transport system and is one of the most important road, rail and air hubs in Italy. Rome has a widespread bus network, provided by ATAC. The buses are a reliable way to get around the city. April sees the weather significantly improve in Rome, as spring really begins to take hold. This is a great time of the year to visit.
