2ND INTERNATIONAL CONFERENCE ON

# BRAIN STIMULATION

JUNE 22-23, 2020 | ZURICH, SWITZERLAND

Brain 2020

# Invitation

Dear Attendees,

Meetings International proudly announces the 2nd International Conference on Brain Stimulation scheduled during June 22-23, 2020 in Zurich, Switzerland. The conference emphasizes the theme "Advancements and innovations in the field of Brain Research".

Brain 2020 aims to gather eminent scientists, research scholars, notable neurologist, and educationists and professionals to express their views on the latest technologies, trends, and concerns in Neuroscience. It focuses on addressing the constant effort being made by scientist and scholars to improve the existing and inventing novel technologies for future. The conference will also address the issues being faced by surgeons and patients and the impact of Brain in the world. Brain 2020 conference provides a platform for organizations, companies, associations, societies, institutions, statutory bodies and other authorities and individuals interested in presenting their thoughts on stroke procedures and services. Brain 2020 will influence an appealing moment to meet people in the experimentation field and therefore it takes a pleasure in opening a doorway to encounter the ability in the field, young researchers and potential World-renowned speakers, the most recent approaches, tactics, and the current upgrade

Sincerely,

Operating Committee

Biosensors 2020

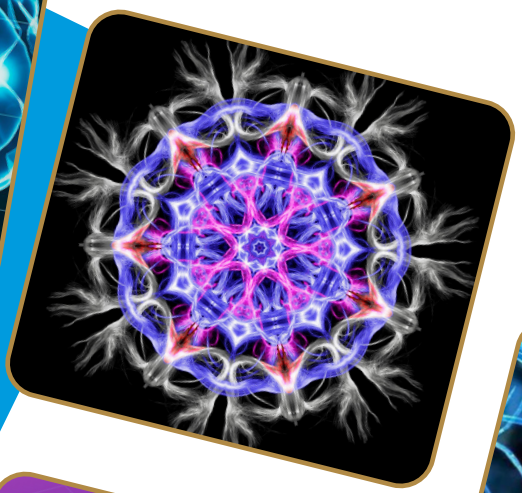

# Conference Highlights

- Neuro anesthesia and Care
- Organ Donation and Complications:
- Neuropharmacology and Case reports

To identify the future directions of research

Peer review and high quality publication

Quality research

Head Management/CEO/Manager

Dean

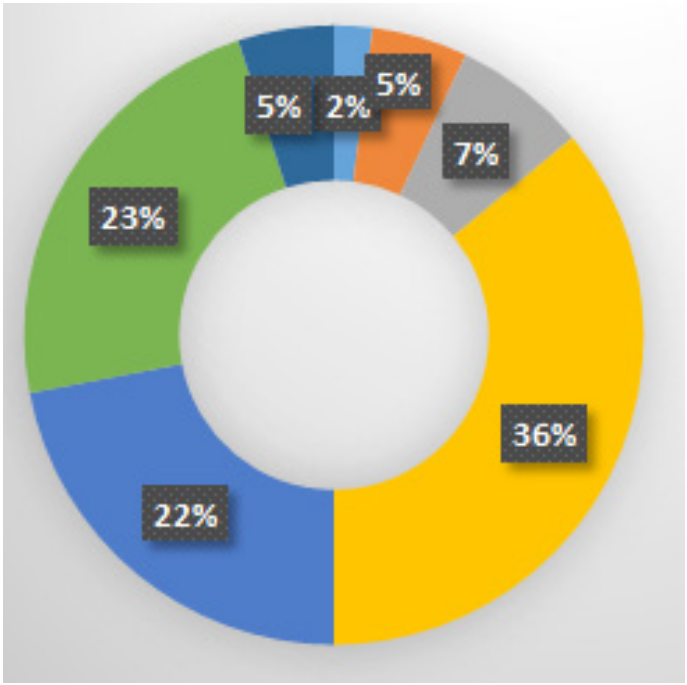

Director

Professor

Students

Research Scolars

Business Enterprenures

# Explore Zurich

Zurich is the largest city in Switzerland and the capital of the canton of Zurich. It is located in north-central Switzerland. The official language of Zurich is German but the main spoken language is the local variant of the Alemannic Swiss German dialect, Zurich German. Most of Switzerland's research and development centres are concentrated in Zurich. Switzerland ranks at or near the top globally in several metrics of national performance, including government transparency, civil liberties, quality of life, economic competitiveness, and human development. Zurich has been ranked among the top cities in the world in terms of quality of life according to Mercer.
