About Tokyo

Tokyo is Japan's capital and the world's most crowded city. Today, Tokyo offers an apparently boundless decision of shopping, amusement, culture and eating to its guests. The city's history can be acknowledged in regions, for example, Asakusa and in numerous phenomenal exhibition halls, notable sanctuaries and nurseries. Japan is known worldwide for its conventional expressions, including tea services, calligraphy and blossom organizing. The nation has a heritage of unmistakable nurseries, figure and verse. Japan is home to in excess of twelve UNESCO World Heritage locales and is the origin of sushi, one of its generally well known. Numerous sightseers from everywhere throughout the world travel around without understanding the language fine and dandy. There are English signs in each air terminal and train station. In the more mainstream traveler areas, the train declarations are English just as in Japanese. You can go in Japan fine and dandy without knowing any Japanese.
