Invitation

Dear Attendees,

We are glad to announce the International Conference On Breast Surgery to be held in Paris, France from November 28-29, 2019 organized by EuroSciCon Ltd., UK in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Breast Health, Benign Breast Issues, Breast Cancer, Breasts Mammoplasty, Breast Augmentation, Breast Capsulectomy, Plastic Surgery and Reconstruction, Breast Health in Men, Breast Imaging & Diagnosis, Fertility and Pregnancy, Breast Feeding, Breast Cancer Prevention, Breast Cancer Surgery Choices, Genetics etc.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

We look forward to personally welcome you to Paris this November.

Sincerely,

BREAST SURGERY 2019

Paris, France

About Destination Paris

As the capital city of France, Paris has persisted as an imperative city for over 2,000 years. Frequently called by epithets like the “city of affection” and “city of lights,” Paris is today one of the world’s driving places for business, design, diversion, workmanship and culture. Simply the unimportant specify of Paris evokes pictures of the city’s reality renowned points of interest, exhibition halls and basilicas.

Paris is partitioned by the Seine River, which depletes west to the Atlantic Ocean. It is utilized for transportation and tourism. Numerous visit vessels, called “bateaux mouches,” give voyages through the city by surrounding the Ile de la Cité. Paris additionally has the vibe of open spaces made by wide roads and parklands. The Champs Elysées is a 12-path separated thruway with wide walkways to empower strolling, window shopping, and people-viewing at bistros. The Jardin du Luxembourg, the Bois de Boulogne, the Tuilerie Gardens, and the Place des Vosges (to give some examples) give the visitors and inhabitants lovely garden spaces to unwind and appreciate the grand perspectives. There are numerous wellsprings and little squares in which to sit. Paris is especially a mobile city. The walkways are constantly loaded with strollers, and additionally businesspeople and sightseers. The wonderful landmarks give the city the demeanor of an open air gallery
