Invitation

Paris, the city of light, is the capital of most populous city of France. It is a major European city and a global center for art, fashion, culture and gastronomy. Paris, also has many art museums and historical buildings of which the Louvre museum was the second most visited museum in 2016. The Seine river divides the city into Rive Gauche on the south and the Rive Droite on the north banks of the river. Apart from this, the Eiffel Tower is the most famous landmark in Paris named after Eiffel and was built during the French Revolution. Notre-Dame de Paris which means “Our Lady of Paris” is a medieval Catholic cathedral in Paris. It is among the largest church buildings in the world. We invite Eminent Scientists/Research Professors in the field of Cancer & Oncology, Junior/ Senior research colleagues, Students, Directors of Cancer organizations, Nurses, Oncologists, Members of Cancer associations and exhibitors from various Cancer Companies. With a wide exhibit of keynote presentations, board discussions, workshops, and notice sessions, the Cancer 2019 Conference is the ideal setting not exclusively to plunge into your specific Oncologists interests yet in addition to expand the extent of your insight. There are various tracks which are given to subjects, like, Cancer, Cancer Treatment, Anti-Cancer Drugs, Types of Cancer, Stem Cell & Cancer Research, Cancer Biomarker, Cancer Immunology, Cancer Nursing, Cancer Diagnosis, Molecular Mechanism of Cancer, Anti-Cancerous Diet, Stages of Cancer, Causes of Cancer, Cancer Awareness, Cancer Research, Microorganism’s & Cancer, Cancer Survivorship, Cancer & Oncology Case Reports. The Organizing Committee has done its best to set up a system that we think will take into consideration an inventive interplay of thoughts.
