EuroSciCon

Cancer Science

2020

Invitation

EuroSciCon extends its warm welcome to all its participants to Cancer Science 2020 scheduled on January 27-28, 2020 at Sydney, Australia with a theme " Recent Developments and Advancements of Cancer Science". EuroSciCon organizes Global Events with Conferences, Symposiums and Workshops on Medical, Pharma, Engineering, Science, Technology and Business.

We gladly welcome attendees all around the world for the hearing of the foremost recent innovations and inventions in the field of cancer. This Conference will provide a forum for exchange of ideas and authoritative views by leading scientists, industry specialists and also from the academicians of the best institutes from around the globe. Outstanding keynote speakers and well known leading scientists and experts from around the globe will be expected to share their knowledge and talk about various aspects related to various frontiers in the field of Cancer science. Our aspiration is to gather peer researchers, young scientists, academicians & industrialists to meet, discuss and share the knowledge that's still more to be revealed. Gain and grab the knowledge. Conferences and symposia provide unlimited opportunities to strengthen the community, and are also the collective body of knowledge. We cordially encourage you to attend and contribute to one of the major events of 2020 on the field of Cancer science. The conference will reveal the present and future aspects in the field of Cancer science which are the need of the hour for instant and précised treatment..

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

2020

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ cancer science and pharmacologists accessing the website, cancer science 2020 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Euro cancer 2020 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

January 27-28, 2020
Sydney, Australia

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Cancer Science

2020

Who'd be attending?

Cancer Science 2020 Conference brings together the specialists from all the aspects to meet and discuss the future of Oncology & Cancer in today's world to thrive and survive with a better health. The conference will bring together Directors, Doctors, Director of Laboratories, Universities, Industries, Delegates, Cancer Research specialists, Investigators, Post-Doctoral Fellows, Research and Diagnostic Laboratories, Clinical Fellows, Students, Biomedical Research companies, CRO's, Healthcare Institutions, Market Research and Consulting Firms, Pharmaceutical Companies, Medical device specialist and all the interested participants willing to enhance and update the knowledge on Cancer Science.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Organ-Defined Cancers
- Cancer Biopsy
- Alternative Medicine
- Cancer Vaccination
- Biomarkers In Cancer Diagnosis And Prognosis
- Cancer Case Reports
- Surgical Oncology
- Oncology Nursing
- Targeted Cancer Therapy
- Cancer Metastasis
- Nanotechnology & Nano Medicines In Cancer Treatment
- Gynecologic Oncology
- Cervical Cancer And Transgender Man
- Cancer And Tumour Immunology
- Radiation Oncology
- Integrative Therapy
- Novel Anti-Cancer Drugs
- Artificial Intelligence And Its Scope In Cancer Therapy
- Cancer Therapeutics And Novel Approaches
- Cancer Pharmacology
- Cancer Genetics
- Cancer Stem Cell Therapy

About Destination Australia

Australia is a country and continent surrounded by the Indian and Pacific oceans. Its major cities – Sydney, Brisbane, Melbourne, Perth, Adelaide – are coastal. Its capital, Canberra, is inland. The country is known for its Sydney Opera House, the Great Barrier Reef, a vast interior desert wilderness called the Outback, and unique animal species like kangaroos and duck-billed platypuses.Australia is world famous for its natural wonders and wide open spaces, its beaches, deserts, “the bush”, and “the Outback”. Australia is one of the world’s most highly urbanised countries; it is well known for the attractions of its large cities such as Sydney, Melbourne, Brisbane, and Perth.

Broome, Western Australia. If you’ve been following us for a while you’ll know that Broome is our favourite place in Australia.....

- Best Places to Visit in Australia and The Pacific
- Byron Bay, NSW...
- Freycinet National Park, Tasmania...
- Uluru, Northern Territory...
- Great Barrier Reef, Queensland...
- Daintree Rainforest, Queensland...
- Fraser Island, Queensland

Australia is currently the third most popular destination for international students in the English speaking world, behind the United States and the UK. Many international students choose to study there because of the cultural diversity, friendly natives, and high quality of education.
