ANNUAL CARDIOLOGISTS MEETING

November 26-27, 2018 | Madrid, Spain

https://www.meetingsint.com/conferences/cardiologist

Invitation

Meetings International proudly announces the ***Annual Cardiologist Meeting*** scheduled during ***November 26-27, 2018*** in ***Madrid, Spain***. The conference emphasizes the theme "Recent advances and future trends in Cardiology Research".

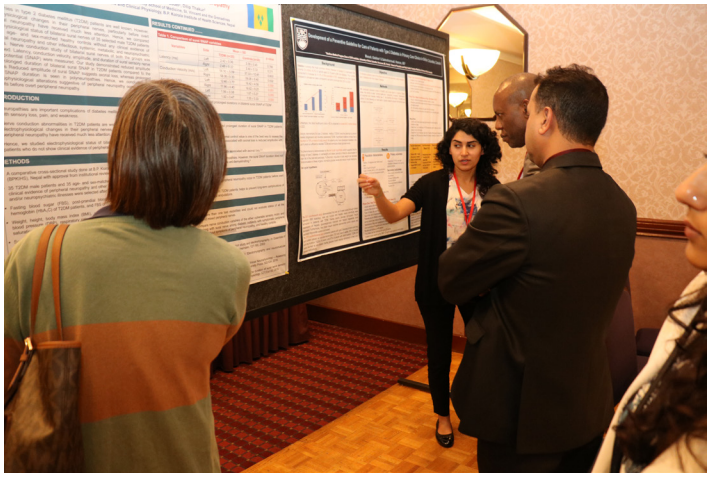

Meetings International provides an international dais for cardiologists, scientists, professors and researchers to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of efficient cardiologist has come into spotlight in the recent years. The Affordable Care Act has expanded coverage and increased demands on the health care system. Thus, priorities are given for the cardiology research to survive to serve most consumers with convenience.

Sincerely,
Operating Committee

An unique platform for top level research and innovation

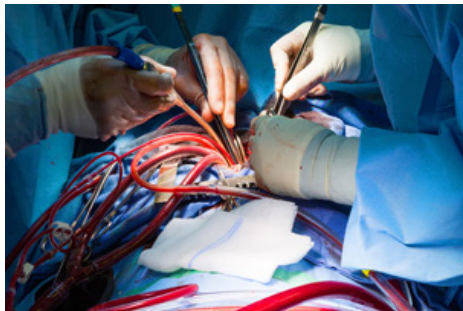

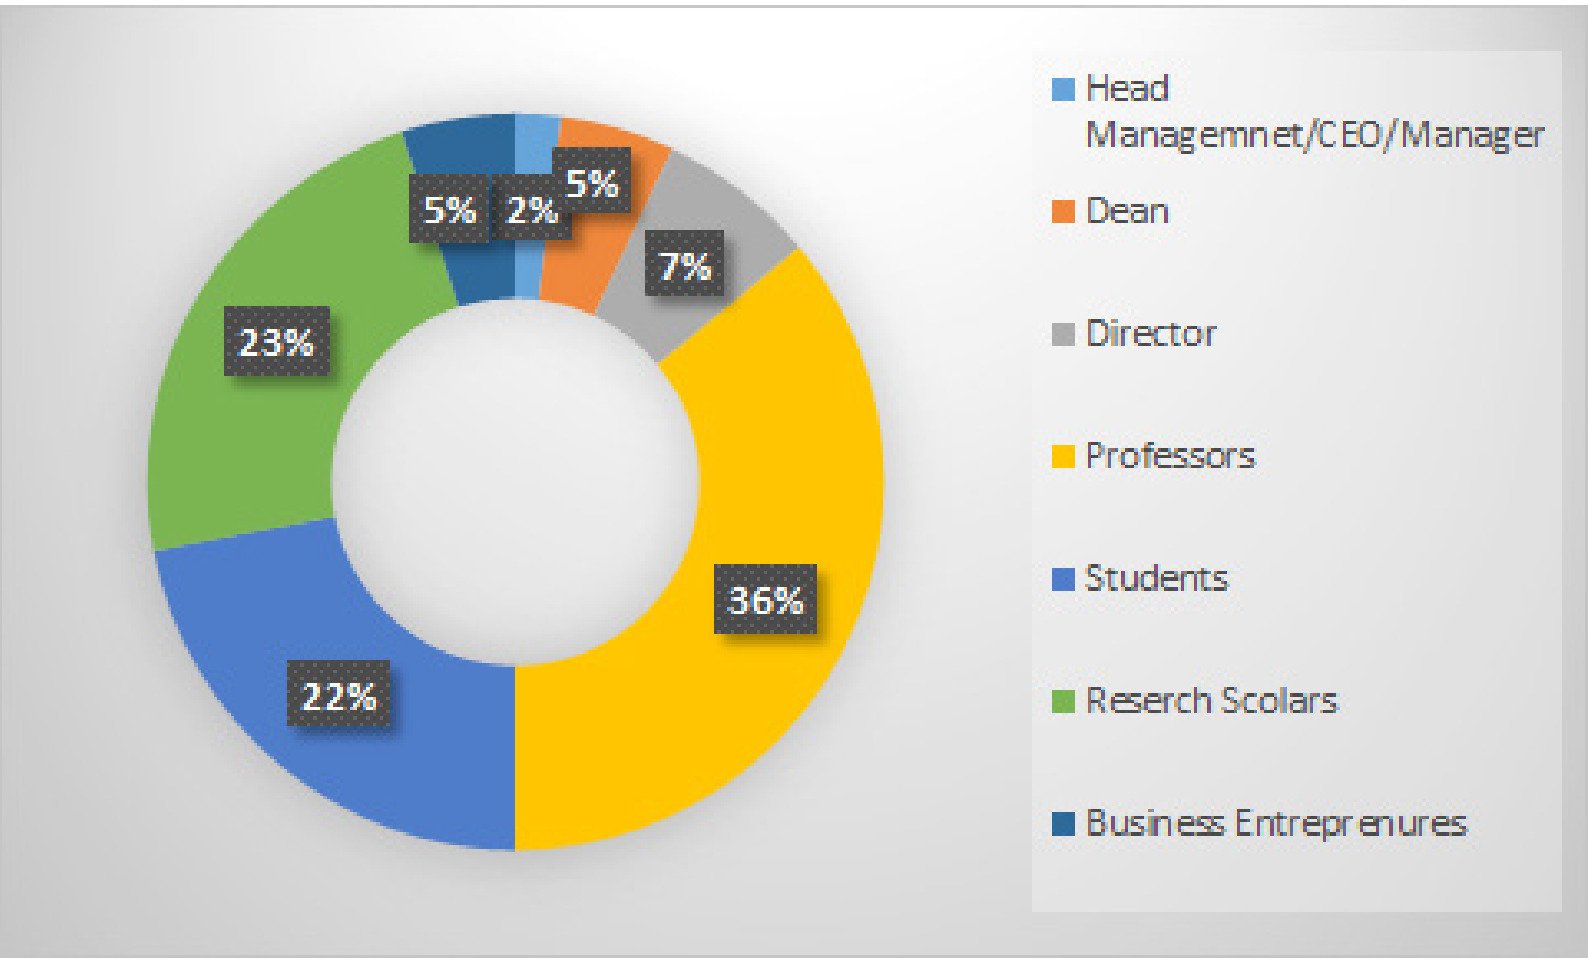

WE VALUE

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore **Madrid**

Madrid is a city so brimming with life and culture in Europe, with the of the best art museums galleries on the mainland where renaissance masterworks and fundamental twentieth century pieces are holding up to enrapture you.

Take in all the historical sights and get the foundation on the Spanish Empire that spread over the globe in the sixteenth and seventeenth hundreds of years. There are additionally endless easily overlooked details that make Madrid essential, regardless of whether that is a café con leche in a stately square, drinks at a rooftop bar or a meander through the Retiro or Casa de Campo on a bright day.

Beyond attractions, Madrid (Spain) brags of numerous authentic locales which are holding up to be found around Royal Palace of Madrid area.

MADRID *Attractions*
