2020

Invitation

Dear Attendees, We are glad to announce the 23rd Edition of International Conference on Insights by Cardiologists to be held in London, UK from March 23-24, 2020 organized by Cardiology Meetings in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Cardiologists, Hypertension, Cardiovascular Diseases & Heart Failure, Interventional Cardiology, Cardiovascular Toxicology and Pharmacology, Cardiac Surgery and Transplantation, Structural Heart Disease Interventions, Heart Disease in Women, Current Research in Cardiology, Complications of Heart Disease, Cardiovascular Pharmacology, Cardiology- Future Medicine, Clinical Cardiology, Clinical Case Reports on Cardiology, Diabetes & Heart, New Directions in Cardiovascular Surgery, Electrocardiography, Cardiac and Cardiovascular Research, Advances in Cardiovascular Imaging, Vascular Biology, Cardiac Diagnostic Test.

As the arch event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Join the Cardiologists 2020 Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level. We look forward to personally welcoming you to London coming March.

Sincerely,
Cardiologists 2020
Organizing Committee.

About Destination London

London is the capital city of England and the United Kingdom, and the largest city, urban zone and metropolitan area in United Kingdom, and the European Union by the most measures. Located on the River Thames, London has been a major settlement for two millennia, its history going back to its founding by the Romans, who named it Londinium. It is a leading global city, with strengths in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, profession al services, research and development, tourism and transport all contributing to its prominence. London has been described as a world cultural capital.

London has been described as a world cultural capital. It is the world's most-visited city as measured by international arrivals and has the world's largest city airport system measured by passenger traffic. London's 43 universities form the largest concentration of higher education in Europe. In 2012, London became the first city to host the modern Summer Olympic Games three times. A multicultural city, London has a diverse range of peoples and cultures, and more than 300 languages are spoken within its boundaries. London has four World Heritage Sites: the Tower of London, Kew Botanic Garden, the Palace of Westminster, and St Margaret's Church, National Maritime Museum, and the historic settlement of Greenwich Observatory.

Other famous landmarks are Buckingham Palace, the London Eye, Piccadilly Circus, St Paul's Cathedral, Tower Bridge, Trafalgar Square, and The Shard. London is home to numerous museums, galleries, libraries, sporting events and other cultural institutions, they are the British Museum, National Gallery, British Library and 40 West End theatres. The Railway of London Underground is the oldest underground railway network in the world.
