Cardiology 2018

INTERNATIONAL CONFERENCE ON

CARDIOLOGY & CARDIAC NURSING

October 25-27, 2018 | Paris, France

Theme: *New challenges and Innovations in Cardiological Research*

www.meetingsint.com/conferences/cardiology

Invitation

Meetings International proudly announces the ***International Conference on Cardiology & Cardiac Nursing*** scheduled during ***October 25-27, 2018*** in ***Paris, France***. The conference emphasizes the theme "***New challenges and Innovations in Cardiological Research***".

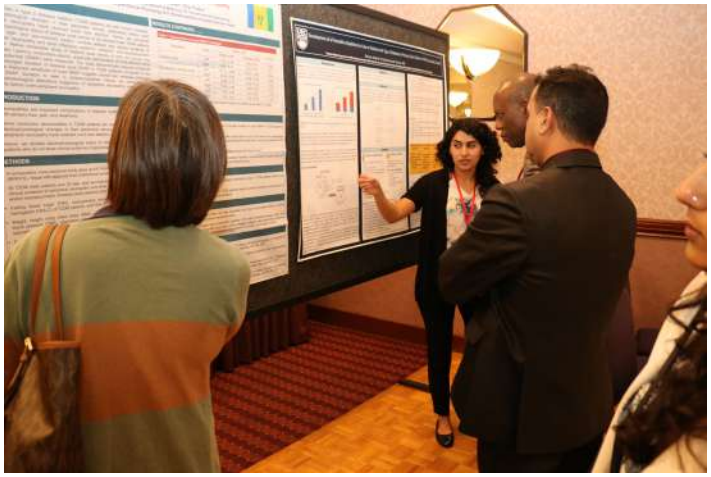

Meetings International provides an international dais for scientists and plant science professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The conference aims to provide cardiac physicians, specialists, nurses, technologists and anyone professionally involved in Cardiovascular Disease with an opportunity to learn about the complexity of the disease, discuss Interventional procedures, look at new and advanced cardiac practices and their efficiency and efficacy in the treatment of various cases, and understand local realities and practical constraints in improving patient-care.

Sincerely,
Operating Committee
Meetings International
