Invitation

Welcome to Philadelphia USA, A marketable, educational and culture enriched center, and experience the science of Cardiology illuminated as never before. EuroSciCon is proud to host the 23rd International Conference on New Horizons in Cardiology and Cardiologists Education" to be held during February 24-25, 2020 at Philadelphia,USA. This year's theme is Experts Insights into Discovery of Millennium Routes of Cardiology. Cardiology Insights 2020 will provide an unprecedented opportunity for Cardiologists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Cardiologists, Pharmacologists, and Scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, Young researchers, Mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Cardiology Conferences is the perfect venue not only to dive into your particular Cardiology and Cardiologists Education interests but also to expand the scope of your knowledge. Cardiology Insights 2020 is a global platform to discuss and learn about Heart Associated Diseases and their new advances in treatment patterns.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant toxicological forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+Cardiology and Cardiologists Education accessing the website, Cardiology Insights 2020 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Cardiology Insights 2020 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

2020

Who'd be attending?

23rd International Conference on New Horizons in Cardiology & Cardiologists education is exclusively designed for Cardiology Specialists, Research Scientists, Students, Academic Faculty, Design Engineers, Industrial engineers, Industrialists, Business Entrepreneurs, Manufacturing Devices Companies philosophers and others engaged in endeavours related to Cardiology & Cardiologists education research and business.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Heart Diseases
- Cardiovascular Disease and Nutrition
- Cardiac Nursing
- Cardiac surgery
- Cardio-Oncology
- Cardio-Metabolic
- Heart Disease in Women
- Echocardiography
- Interventional Cardiology
- Pediatric Cardiology
- Thoracic Surgery
- Obesity & Stroke
- Cardiovascular Pharmacology
- Cardiac Regeneration
- Diabetes & Obesity
- Molecular Cardiology
- Vascular Biology
- Clinical Cardiology
- Cardiac Rhythm Abnormalities
- Cardiac Toxicity
- Robotic Surgery
- Cardiovascular Rehabilitation
- Cardiac Perfusion
- Cardiac Diagnostic Test
- Case reports on Cardiology
- Cardiology Fellowship Competitiveness

About Destination Philadelphia

Once the original capital of America , Philadelphia has a history enriched with culture, history and symbolism. The city is a melting pot of races, traditions and immigrant cultures and also possesses amenities that only the city's own heritage can provide. It is the home to the Liberty Bell and the Declaration of Independence, both tributes to the city's revolution.

Widely known as Philly, but formerly known as the City of Philadelphia , it is the largest city in the state of Pennsylvania . It is also called the City of Brotherly Love '. It holds the following statistics, it is the sixth most populous city in the US , the fifth largest city area by population in the US , the US 's fourth largest consumer media market and ranks 49 th as the most populous city in the world. There are nearly 1.5 million people in the city alone.

Once upon a time the city was the second largest in the British Empire after London . A marketable, educational and culture enriched center, it was the communal and geographical center of the original 13 American colonies. Philadelphia contributed hugely to American history when Benjamin Franklin, in the 18 th century, begun the American Revolution and American Independence.

Nowadays the vibrant city is modernized yet still pieces of history are evident. If you would like to visit either for business or holidays, there is a huge variety of holiday accommodation to choose from and compare with from leading five star hotels to budget motels. Spoil yourself in the exciting range of restaurants and visit attractions to get a real classic feel of the place. Pennsylvania is a great place to start a business, it's one of the most business friendly states in the US. It offers easy access to capital, low tax rate, and numerous colleges and universities so access to top quality brain power is easy..
