Opening Ceremony

Keynote Forum

Introduction

Title: Update molecular diagnosis and treatment on salivary gland tumors – mammary analog secretory carcinoma
Beverly Wang, UC Irvine School of Medicine, USA
Title: TB blood tests revisited
Roland Maes, Anda Biologicals, France

Networking & Refreshment Break

Sessions: Case reports in Cardiology, Surgery, Opthalmology, Neurology, Ob/Gyn, Pediatrics ,Medicine,Radiology, Anesthesiology, Human Pathology, Clinical Microbiology, Proctology, Nephrology, Gastroenterology

Session Chair: Beverly Wang, UC Irvine School of Medicine, USA

Session Co-Chair: R. Maes, Anda Biologicals, France

Session Introduction

Title: Bilateral granulomatous anterior uveitis – presentation in multiple sclerosis patient and literature review
Barbara Dolaszynska, Newcastle University, UK
Title: Epidermodysplasia verruciformis
Samia Nugali, King Saud Medical City, Saudi Arabia
Title: The artery of Percheron: an unusual stroke presentation
Toby Pitts Tucker, Southampton General Hospital, UK

Group Photo

Lunch Break

Title: Successful pregnancy after ICSI with artificial oocyte activation by calcium ionophore in in-vitromatured oocytes for a women of advanced age: a case report
Mingrong Iv, The First Affiliated Hospital of Anhui Medical University, Hefei, China
Title: Rare cause of acute psychiatric manifestation in children: a case report of anti-NMDA receptor encephalitis
Noor Al Modihesh, King Saud University Medical City, Saudi Arabia
Title: Recurrent transient unilateral vision loss in a child – diagnostic dilemma and management strategies
Samarth Burle, Yorkshire School of Paediatrics, UK

Title: Complicated pancreatitis: a rare complication following scoliosis surgery
Barbara Dolaszynska, Newcastle University, UK

Networking & Refreshment Break

Title: Lobular carcinoma in situ with necrosis – does this indicate an underlying carcinoma?
Kirupakaran Silas Arun, University of Cambridge, UK
Title: Oral rehabilitation of diastrophic dysplasia – a rare case
Ali Assiry, College of Dentistry University of Najran, Saudi Arabia
Title: An effective therapy for obstructively acute renal failure in ovarian hyperstimulation syndrome
Longmei Wu, The First Affiliated Hospital of Anhui Medical University, Hefei, China

Agenda Day 2: May 29, 2018

Atlantis 1
