Early Bird: January 31, 2020

Registration Open: September 25, 2019

Abstract Submission Open: September 25, 2019

On Spot Registration: July 22, 2020

Explore Paris

Paris is the capital of France and the country's largest city, also called as the city of lights. It is located on the river Seine. The population of the town is around a pair of two million and also the town features a multi-cultural tradition. The population of the city is around one-fifth of the France, which makes it the second largest metropolitan area in the European region. It is respected for its attractive city plan, architecture, museums, parks, elegant cuisine and abundant monuments. The climate in Paris is typically gentle over four season Extreme cold or heat is pretty rare, however rain isn't. There are light showers in Paris that can come and go fast all day long. In terms of economy France is ranked as the world's ninth largest and the European Union's second largest economy by purchasing power parity.
