World Congress on

Catalysis, Chemical Engineering and Technology Conference

February 19-20, 2020 | Phuket, Thailand

Catalysis 2020

Invitation

Dear Attendees,

Meetings International proudly announces the World Congress on Catalysis, Chemical Engineering and Technology Conference scheduled during February 19-20, 2020 in Phuket, Thailand. The conference emphasizes the theme "Emerging technologies and scientific advancements in chemical engineering".

Catalysis 2020 aims at sharing new ideas and technologies amongst the professionals, industrialists and students from research areas of Catalysis, Chemical Engineering and Technology As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. World Congress on Catalysis, Chemical Engineering and Technology amid February 19-20, 2020 Phuket, Thailand. This consolidates incite keynote presentations, Oral talks, Poster presentations and Exhibitions.

Sincerely,

Operating Committee

Catalysis 2020

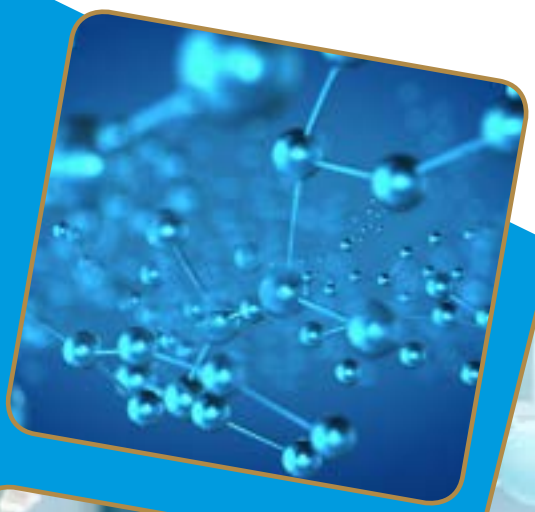

Conference Highlights

- Catalysis & Zeolites
- Chemical engineering
- Homogeneous catalysis, Molecular Catalysis, Homogeneous catalysis
- Catalysis Material & Catalysis Chemistry
- Chemistry Synthesis & Catalytic Synthesis
- Industrial Catalyst and Process Engineering
- Fluid Mechanics
- Photochemistry, Photobiology and Electrochemistry
- Environmental Catalysis and Green Chemistry
- Environmental Catalysis and Green Chemistry

To identify the future directions of research

Peer review and high quality publication

Quality research

Head Management/CEO/Manager

Dean

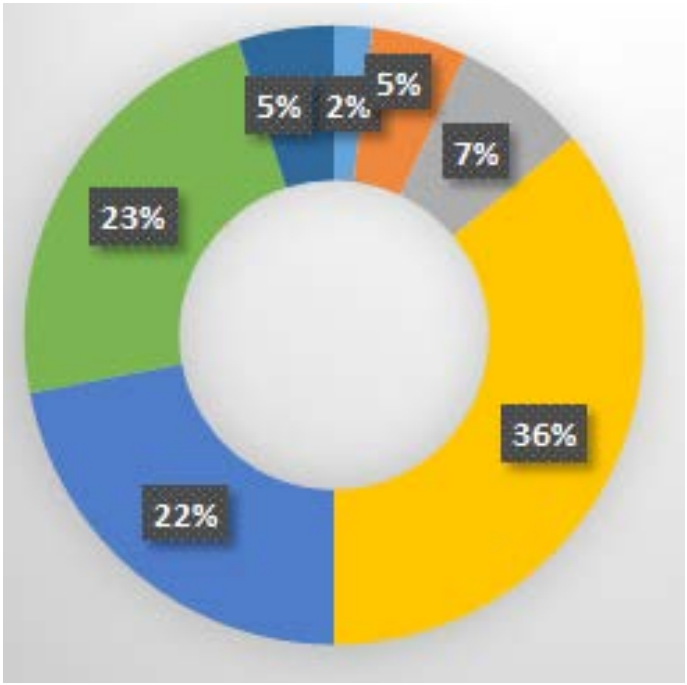

Director

Professor

Students

Research Scolars

Business Enterprenures

Explore Thailand

Phuket, a rain forested, mountainous island in the Andaman Sea, has some of Thailand's most popular beaches, mainly situated along the clear waters of the western shore. The island is home to many high-end seaside resorts, spas and restaurants. Phuket City, the capital, has old shop houses and busy markets. Paton, the main resort town, has many nightclubs, bars and discos.
