4th International Conference on

Cell Science and Molecular Biology

June 20-21, 2022 | Toronto, Canada

https://www.meetingsint.com/conferences/cellscience

Invitation

Dear Attendees,

Meetings International proudly announces the 4th International conference on Cell Science and Molecular Biology scheduled during June 20- 21, 2022 in Toronto, Canada.

The conference emphasizes the theme "Engineering Biomolecules and Emerging Trends in Cell Science and Molecular Biology".

The Cell Science 2022 gathering gives a mind-blowing opportunity to discuss the latest progressions inside the field. It will give an overall stage to look at about the present and future troubles in Cell Therapy guidance, continuing with preparing, medicinal strategy, and center around points. With huge delight, Drug deliver and Education alongside the Organizing Committee Members welcome every one of the members from all over the globe to attend the conference. It provides a great opportunity for establishing strong relations between the Therapists, the general public, and government so that they can work together to achieve healthier mouths and happier lives. Cell Science 2022 focuses mainly on Advancement in estimating and improving patient safety in primary health care. Cell Science 2022 conference operation committee is providing a platform for all the budding young researchers, young investigators, postgraduate/ Master students, PhD. students and trainees to show case their research and innovation.

Sincerely,
Operating Committee
Cell Science 2022

Conference Highlights

- **Molecular and Cellular Biology**
- **Cancer Cell Therapy**
- **Molecular biomarkers**
- **Cellular Chemotherapy**
- **Molecular Genetics**
- **Cell Cycle and Cell Division**
- **Plant Molecular Biology**
- **Molecular Biology and Pathogenesis**
- **Drug Designing and Drug Delivery**
- **Immunoprofiling**
- **Bio imaging & Bio printing Tissues and Organs**
- **Regenerative Medicine**

Explore Toronto

Toronto, the capital of the province of Ontario, is a major Canadian city along Lake Ontario's northwestern shore. It's a dynamic metropolis with a core of soaring skyscrapers, all dwarfed by the iconic, free-standing CN Tower. Toronto also has many green spaces.

Toronto is known for its multiculturalism, sports, and unique landmarks, such as the CN Tower. This bustling city features various cuisines, architectural mixtures, and a long history. Toronto is also home to one of the world's largest film festivals, the Toronto International Film Festival. Its large population of immigrants from all over the globe has also made Toronto one of the most multicultural cities in the world. The provincial government Opens in new window is responsible for matters within the borders of the Province of Ontario. There are 22 Members of Ontario's Provincial Parliament (MPPs) that represent the residents of Toronto in the Legislative Assembly at Queen's Park in Toronto.

Important Dates

Early Bird Registration Deadline: **March 10, 2021**

On Spot Registration: **June 15, 2022**

Abstract Submission Deadline: **February 15, 2022**
