Welcome Message

Meetings International proudly announces the Experts Meeting on International Meeting On Chemical and Biochemical Engineering scheduled during April 23-24, 2018 at Dubai, UAE. With a theme of "Emerging technologies and scientific advancements in Chemical Engineering and its Applications".

Chemical Engineering 2018 provides a Platform for Chemical and Biochemical Engineering Professors, Industrial Professionals to Exchange Ideas, Knowledge and Networking at its International Conference. Chemical Engineering 2018 will bring together key decision makers and innovators within this rapidly growing field. This intensive 2-Day program will examine various advancements in the Chemical research. The event will cover a broad spectrum of Chemical Engineering, Applications of Chemical Technology, Biochemical and Molecular Engineering, Chemical Proteomic and Bioinformatics, Chemical Polymer Technology, Electrochemistry and Electrochemical Engineering, Heat Transfer Operations, Bioseperation, Bioreactors and Fermentation, Biomolecules, Biofuel,Bioprocesses for Water and Wastewater Treatment and Entrepreneurial Opportunities in Chemical Engineering. The topics of the Conference will truly reflect the current and future trends in on International Meeting On Chemical and Biochemical Engineering.

Chemical Engineering 2018 will offer you an unmatched attendee experience. In addition to the many scientific sessions and take-home case study examples, you will leave this event with many other novel Development strategies from some of our workshops and symposiums. Engage in dynamic conversation with your Industry peers at our multiple networking sessions, and takeaway novel research strategies, which could speed up time to market and save your organization millions. We hope you will join us in Dubai, UAE this August to enhance your research capabilities, and increase time to market on International Meeting On Chemical and Biochemical Engineering.

Sincerely,

Operating Committee

CEO and Founder

Meetings International PTE LTD.

http://www.meetingsint.com/chemical-engineering-conferences/biochemical-engineering

Who Should Attend?

Chemical and Biochemical academic professionals specializing in:

- Inorganic Chemistry
- Organic Chemistry
- Petrochemical Industry
- Polymer Technology
- Plastics
- Biofuel
- Bioprocess
- Chemical Engineering
- Waste Water Treatment
- Seperation Techniques
- Bioreactors and Fermentation
- Electrochemistry
- Biochemical Engineering

Why Attend?

- 10+ Keynote Speaker Session
- 50+ speaker faculty over 3 full days sharing Evidence Based Nursing practice
- 5+ Workshops
- 13 Interactive sessions
- Mixture of Health care units and Academia Delegates
- Networking

Conference Highlights

- Chemical Engineering
- Applications of chemical technology
- Biochemical and Molecular Engineering
- Chemical Proteomic and Bioinformatics
- Chemical Polymer Technology
- Electrochemistry and Electrochemical Engineering
- Heat Transfer Operations
- Bioseperation
- Bioreactors and Fermentation
- Biomolecules
- Biofuel
- Bioprocesses for water and wastewater treatment
- Entrepreneurial Opportunities in Chemical Engineering

Event at a Glance

Day-01 Monday April 23, 2018	
Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
Group Photo	
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Chemical Proteomic and Bioinformatics | Biochemical and Molecular Engineering Heat Transfer Operations
13:00-13:45	Lunch Break**
13:45-16:00	Bioprocesses for water and wastewater treatment | Bioseperation
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Biomolecules | Entrepreneurial Opportunities in Chemical Engineering
Day Concludes	
Day-02 Tuesday April 24, 2018	
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Chemical Proteomic and Bioinformatics | Chemical Polymer Technology | Bioreactors and Fermentation
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Biofuel | Bioprocesses for water and wastewater treatment
13:00-13:45	Lunch Break**
13:45-16:00	Electrochemistry and Electrochemical Engineering | Entrepreneurial Opportunities in Chemical Engineering
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations
Award Ceremony	
Conference Concludes	

Editorial Board Members

Armen Petrosyan
University of Nebraska Medical Center, US.

Namita Kumari
Howard University College of Medicine

Srinivas Parthasarathy
Stanford University, USA.

Antonio Sanchez Pozo
University of Granada, Spain

Radomir Jasinski
Institute of Organic Chemistry and Technology, Warszawska 24
Poland

Roberta Galeazzi
Universita Politecnica delle Marche, Italy

Rosivaldo S. Borges
Universidade Federal do Para, Brazil

Rafik Karaman
Al-Quds University, Jerusalem Palestine

Moises Dominguez
University of Santiago,Chile

Cheng-Wu
National Kaohsiung Marine University,Taiwan

Jammi
Professor, Hawassa University, Hawassa.

Hui PAN
University of Macau , China

Iven Jose
Christ University, India

Journals

Selected contributions will be published in following supporting international Journals

Chemical Informatics
(https://cheminformatics.imedpub.com/)

International Journal of Innovative Research in Science, Engineering and Technology
(http://www.ijettjournal.org/?gclid=CLuylrT1ltQCFVaVaAodqRAOKQ)

Research & Reviews: Journal of Engineering and Technology

Sponsorship and Exhibiting Opportunities

Supporting our events as a sponsor is an excellent promotional tool for your company/organization and a fantastic way of achieving several marketing and sales goals all in the space of 3 valuable full days. Our attendees are actively seeking and researching solutions to their business problems, you can save yourself a lot of time and money throughout the year by simply being a sponsor and do more in those intense 2 days for your company than the whole year! Whether the goal is to increase brand aware-ness and credibility, getnerate new sales leads or maintain & expand existing relationships, we have the right sponsorship to broaden your competitive advantage in the market-place and attract your target market.

Want to find out some more about the sponsorship opportunities we have available?

Call Program Manager on 800-101-2526 (or)

email at biochemical@meetingseries.com, biochemical@meetingseries.org with "Sponsorship Enquiry" in the subject line. (* Please note that sponsorship opportunities are limited due to the educational-led focus of this event. Please enquire for availability.

http://www.meetingsint.com/chemical-engineering-conferences/biochemical-engineering

Why Sponsor Our Event?

- Opportunity to meet new business partners enhance customer relationships
- International exposure through promotions
- Increase brand name by partnering
- Reevaluate market position as thought leader
- Ensure market presence with a speaking slot
- Raise your profile and shape your corporate image with logo placement
- Develop new client relationships and affirm existing ones
- Your product/services gets good recognition and remuneration in the world

Sponsorship Packages

- Diamond Sponsor
- Gold Sponsor
- Silver Sponsor
- Bronze Sponsor
- Exhibition

For any other and customized packages, write to Program Manager.

About Dubai

Dubai is the largest and most populous city in the United Arab Emirates (UAE). It is located on the southeast coast of the Persian Gulf and is the capital of the Emirate of Dubai, one of the seven emirates that make up the country. Abu Dhabi and Dubai are the only two emirates to have veto power over critical matters of national importance in the country's legislature. The city of Dubai is located on the emirate's northern coastline and heads the Dubai-Sharjah-Ajman metropolitan area. Dubai will host World Expo 2020.Dubai emerged as a global city and business hub of the Middle East. It is also a major transport hub for passengers and cargo.

Dubai has recently attracted world attention through many innovative large construction projects and sports events. The city has become iconic for its skyscrapers and high-rise buildings, in particular the world's tallest building, the Burj Khalifa.Dubai has been called the "shopping capital of the Middle East". Dubai alone has more than 70 shopping centres, including the world's largest shopping centre, Dubai Mall. Dubai is also known for the traditional souk districts located on either side of its creek. Many boutiques and jewellery stores are also found in the city. Dubai is also referred to as "the City of Gold" as the Gold Souk in Deira houses nearly 250 gold retail shops.

As of 2012, Dubai was the 22nd most expensive city in the world and the most expensive city in the Middle East. In 2014, Dubai's hotel rooms were rated as the second most expensive in the world, after Geneva. Dubai was rated as one of the best places to live in the Middle East by U.S. global consulting firm Mercer. Tourism is an important part of the Dubai government's strategy to maintain the flow of foreign cash into the emirate. Dubai's lure for tourists is based mainly on shopping but also on its possession of other ancient and modern attractions. As of 2013, Dubai was the 7th most visited city of the world based on air traffic and the fastest growing, increasing by a 10.7% rate.

Dubai Creek Park in Dubai Creek also plays a vital role in Dubai tourism as it showcase some of the most famous tourist attractions in Dubai such as Dolphinarium, Cable Car, Camel Ride, Horse Carriage and Exotic Birds Shows. Dubai has a wide range of parks like Safa park, Mushrif park, Hamriya park etc. Each park is uniquely distinct from the other. Ski Dubai is a large indoor skiing facility at Mall of the Emirates, offering snowboarding, ski lessons, a children's play area and a cafe. It opened in November 2005 and houses the world's largest indoor snow park. It is operated by Majid Al Futtaim Leisure & Entertainment.

Registration/Sponsorship Application Form
