Chemical Engineering Conference

2021

Invitation

We are glad to announce the 2nd Edition of International Conference on Chemical Engineering & Medicinal Chemistry to be held in Brussels, Belgium from August 26-27, 2021 organized by EuroSciCon ltd, UK in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

The event will have Keynote speakers, Plenary speakers, Invited speakers and fresh contributed speakers. In addition, a variety of poster presentations along with workshops and special sessions would be interested in listeners.

The aim of the Chemical Engineering Conference 2021 is to promote quality research and real-world impact in an atmosphere of true international cooperation between scientists and engineers by bringing together again the world-class researchers, International Communities and Industrial heads to discuss the latest developments and innovations in the fields of Chemical Engineering Conference.

We sincerely hope that Gastro conferences serves as an international platform for meeting researchers from around the world, widen professional interaction and create new opportunities, including establishing new alliances. We are looking forward to seeing you at Chemical Engineering Conference 2021 in Brussels, Belgium.

Sincerely,
Chemical Engineering Conference 2021
Organizing Committee

EuroSciCon

A Transformational Learning Experience

1. Curated to address the concerns of today's scientific world
2. Be inspired by some of the world's most renowned figures
3. Stimulate new ways of thinking and provoke action.
4. Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Ergonomists, Engineers, Scientists, Students Technologists accessing the website, EuroSciCon Chemical Engineering Conference 2021 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Chemical Engineering Conference 2021 Salient Features:

In a world of information overload, we focus on the issues most relevant to today'stechnical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant clients Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

Who'd be attending?

Chemical Engineering Conference 2021 is aimed to give an opportunity that with scholars from around the world focused on learning about Chemical Engineering Conference & Hepatology and its advances; this is the best opportunity to reach the largest gathering of participants from the Chemical Engineering Conference & Hepatology community. It provides an explicit platform for presentations distributes information, meets with current and potential scientists. World-renowned speakers, the most recent techniques, developments, and the latest updates in Chemical Engineering Conference & Hepatology are hallmarks of this conference.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Medical, Institute of Biomedical Science (IBMS) and British Society for Chemical Engineering Conference. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Bio-Pharmaceutics
- Pharmaceutical Chemistry
- Drug Targeting And Design
- Pharmacokinetics And Pharmacodynamics In Drugs
- Pharmaceutical Formulation
- Pharmaceutical Manufacturing
- Pharmaceutical Nanotechnology
- Nano Particulate Drug Delivery Systems
- Clinical Trials And Research
- Novel Drug Delivery Systems
- Nanomedicine And Biomedical Applications
- Biomaterials In Drug Delivery
- Vaccine Drug Delivery Systems
- Medical Devices For Drug Delivery
- Artificial Intelligence Into Drug Delivery
- Pharmaceutical Packaging And Marketing
- BCS And Solubility Enhancement
- Formulation Studies For Biotherapeutics
- Novel Approaches In Biopharmaceutics

About Destination Brussels, Belgium

Brussels is the capital of Belgium, Flanders and Europe. Medieval Grand-Place, is indeed grand, with many 17th-century buildings and daily flower markets. Reopened in 2006, the Atomium, Brussels' Eiffel Tower, provides great views, inside and out. Architecture fans should visit Musee Horta, home of Belgian master architect Victor Horta. St. Gery's clubs and bars are packed year-round. Seafood eateries abound in Ste. Catherine. Walk, rather than get snarled up in traffic, in the narrow streets.

Places to Visit in Brussels:

1. Cathedral of St. Michael and St. Gudula
2. Grand Place
3. Manneken Pis
4. Royal Museum of Fine Arts
5. Belgium Comic Strip Center
6. Horta Museum
7. Church of our Blessed Lady of the Sablon
8. Fin-de-Siècle Museum
9. Sonian Forest
10. Royal Belgian Institute
