EuroSciCon

6th International Conference on

chemical engineering and medicinal chemistry

November 24-25,2022 | Location UK

Theme: Highlighting Technological Advancements in Chemical and Biochemical Engineering

Email: Chemicalengineering455@gmail.com
Web: https://chemicalengineeringconference.euroscicon.com/

Invitation

chemical and medicinal Conferences team is proud to host the world congress and Exhibition on chemical engineering | November 24-25, 2022. This year's theme is Highlighting latest Advancements in chemical engineering. chemical enginnering 2022 will provide an unprecedented opportunity for vascular surgeons of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite surgeons, professors, pharmacologists, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome. With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the chemical engineering Conference is the perfect venue not only to dive into your particular vascular interests but also to expand the scope of your knowledge. 20 tracks are devoted to subjects such as vascular trauma, venous surgery, various vascular diseases such as Forensic chemistry,Green chemistry,chemical industry&market analysis,renewable energy,biofuel refineries,chemical engineering ,nuclear chemistry, chemical synthesis & catalyst synthesis,integration of life science and engineering,hydrology engineering,system engineering,material science,chemical polymer technology,electro chemical engineering,physical organic chemistry

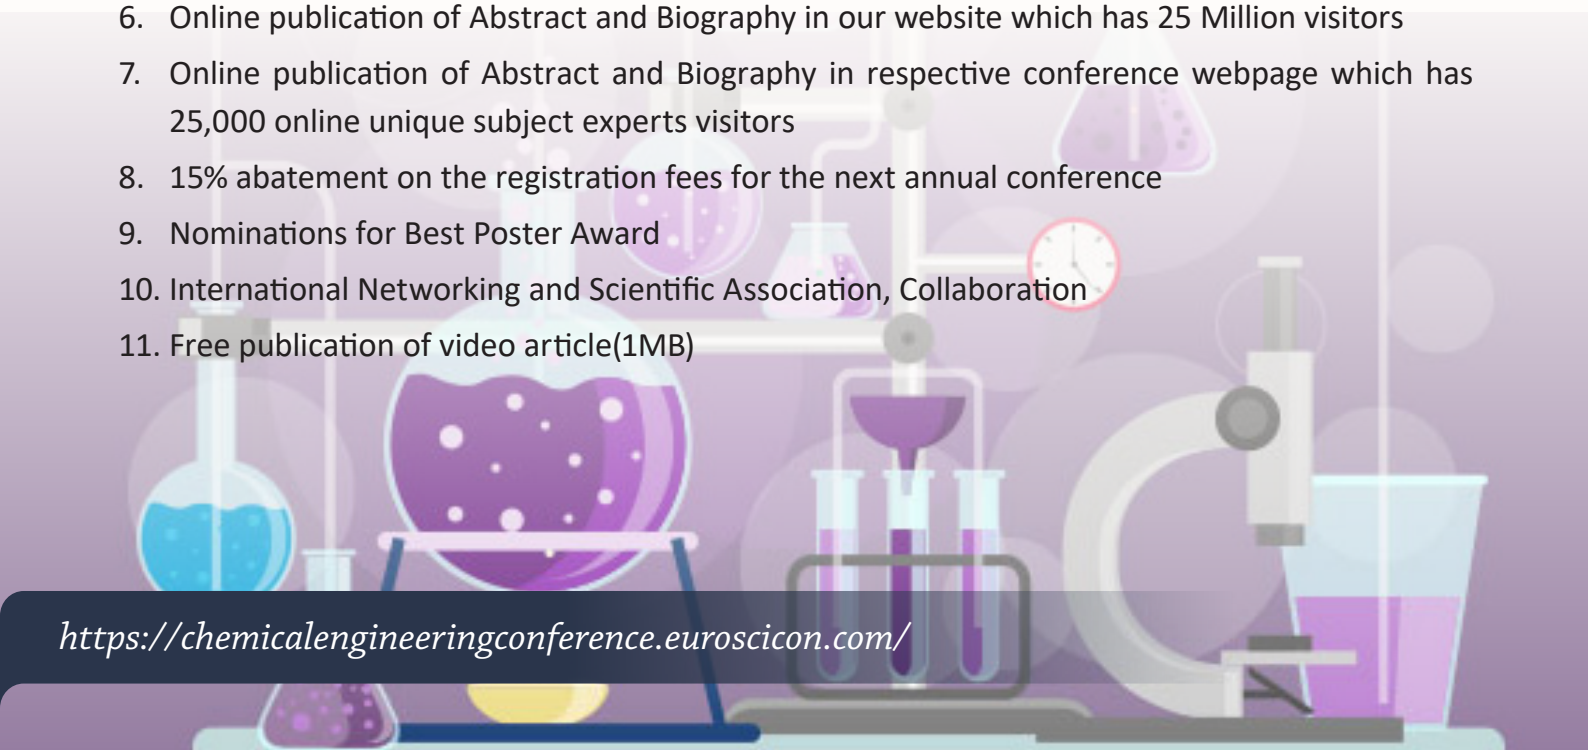

About EuroSciCon

EuroSciCon is the longest running independent life science events company with a predominantly academic client base. Our multiprofessional and multispeciality approach creates a unique experience that cannot be found with a specialist society or commercially EuroSciCon, founded in 2001 is a UK based independent life science Events Company with predominantly business and academic client base. The key strategic objective of EuroSciCon is to communicate science and medical research between academia, clinical practice and the pharmaceutical industry. Most of its events are in Europe and London or live streamed. EuroSciCon expanded its operations to international in association with Meetings International, Singapore. All major meetings of EuroSciCon and Meetings International are accredited with Continued Professional Education (CPD), Continued Education (CE), Continued Medical Education (CME) CreditsParticipant.

About EuroSciCon

1. Access to All Sessions Online
2. E-Handbook & E-Conference Kit
3. E-Certificate of Presentation
4. Exclusive Speaker Pages in relation with the conference website for registered speakers and Organizing Committee Members
5. Publication of extended abstract (1000 words) and biography in respective supporting journal
6. Online publication of Abstract and Biography in our website which has 25 Million visitors
7. Online publication of Abstract and Biography in respective conference webpage which has 25,000 online unique subject experts visitors
8. 15% abatement on the registration fees for the next annual conference
9. Nominations for Best Poster Award
10. International Networking and Scientific Association, Collaboration
11. Free publication of video article(1MB)

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD. Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions. B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

- Publishing of the accepted abstracts in our inordinately indexed journals
- Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.
- Career Guidance Workshops for students and early career researchers
- Opportunity to publish full Manuscripts in our Open Access Journals

Who'd be attending?

European Congress on chemical enginnering Webinar plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Researchers, Investigative Chemists and delegates, chemistry related disciplinary event considering all the major areas of chemistry, including inorganic, physical, organic, analytical and biochemistry. Besides fundamentals, the conference also presents advanced topics like Agrochemicals Water science and technology Reservoir Engineering Petroleum and Petrochemicals New approaches to mass transfer Nanotechnology Modern Thermodynamics Modeling and SimulationIndustrial separation techniques Biochemical Engineering Chemical Process safety and Hazards Chemical technology Food Technology Heat Transfer Research Hydrogen Production.

Scientific Sessions:

- Pharmaceutical Products
- Petroleum Methods
- Nano Particles
- Mass Transfer process
- Hydrogen Production Technology
- Heat Transfer Instruments
- Chemical Technology
- Biochemical Engineering Techniques

See your work PUBLISHED in one of our related journals

- Journal of Analytical & Bioanalytical Techniques

Want to be a Part of the Leading Transplant Webinar in 2022?

Choose your Category:

Webinar: 299$

Manuscript Publication: 899$
