Invitation

The chemical industry is one of the largest and most important industries worldwide. EuroSciCon is proud to host the 10th Edition of European Chemistry Congress | Webinar | December 16-17, 2020. This year's theme is Advanced concepts of Chemistry.

World Chemistry 2020 will provide an unprecedented opportunity for Chemistry lovers of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite researchers and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome. With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the World Chemistry Conference is the perfect venue not only to dive into your particular chemical interests but also to expand the scope of your knowledge. 16 Scientific tracks are devoted to subjects such as Advanced Organic & Inorganic Chemistry, Physical Chemistry & Chemical Kinetics, Analytical Chemistry & Mass Spectrometry, Industrial Chemical Engineering,

Chromatography & HPLC Techniques, Pharmaceutical Chemistry, Electrochemistry, Toxicology & Forensic Chemistry, Agricultural & Food Chemistry, Medicinal Chemistry And Drug Design Natural Product & Biodiversity, Nuclear Chemistry & Radio Chemistry, Environmental Chemistry and Green Chemistry, Materials and Polymer Chemistry, Chemoinformatics & Computational Chemistry, Clinical Chemistry. The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Chemists and delegates accessing the website, Chemistry 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Chemistry 2020:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

Who'd be attending?

10th Edition of European Chemistry Congress plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Researchers, Investigative Chemists and delegates, chemistry related disciplinary event considering all the major areas of chemistry, including inorganic, physical, organic, analytical and biochemistry. Besides fundamentals, the conference also presents advanced topics like Materials Chemistry, Polymer Chemistry, Radioactive Chemistry, Environmental Chemistry, Green Chemistry and Emerging techniques in Chemistry, Agricultural & Food Chemistry researchers , Laboratory Directors and Chemists and Druggist and others who stay plunged in learning and practice of the science of Chemistry.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Chemistry, Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Adavanced Organic & Inorganic Chemistry
- Physical Chemistry & Chemical Kinetics
- Analytical Chemistry & Mass Spectrometry
- Industrial Chemical Engineering
- Chromatography & HPLC Techniques
- Pharmaceutical Chemistry
- Electrochemistry
- Toxicology & Forensic Chemistry
- Agricultural & Food Chemistry
- Medicinal Chemistry And Drug Design
- Natural Product & Biodiversity
- Nuclear Chemistry & Radio Chemistry
- Environmental Chemistry and Green Chemistry
- Materials and Polymer Chemistry
- Chemoinformatics & Computational Chemistry
- Clinical Chemistry
