

Meetings International

International Conference on

Chemistry & Applied Research

October 29-30, 2018 | Prgaue, Czech Republic

Theme:
Technological Advancements and pioneering research in Chemical Sciences and its allied fields

Dear Colleagues,

Meetings International are glad to welcome all the participants, Eminent pioneers of chemistry, Professors, analysts, delegates, Students, business specialists and authorities from wherever all through the globe at "International Conference on Chemistry and Applied Research" on October 29-30, 2018 at Prague, Czech Republic, which incorporates keynote sessions, oral talks, distribution features, Exhibition and Workshops.

Chemistry Conferences is an overall stage to wrangle about and find out about central of chemistry, Polymer chemistry, Medicinal chemistry, Advancement in the field of chemistry, Electrochemistry, Green chemistry, Food chemistry, Physical Chemistry and medicinal chemistry, new improvements in the field of Organic Chemistry, Inorganic chemistry of materials and Bio-Inorganic Catalysis, Organic Photochemistry, Coordination Chemistry and Organometallic chemistry, Chemo-selectivity, Organic chemistry of life, Organic items and heterocyclic chemistry, new synthetic ways and advances in catalysis.

International Conference on Chemistry: With the theme "Technological Advancements and pioneering research in Chemical Sciences and its allied fields", the meeting arrangement expects to supply a discussion for International scientists from shifted regions of chemistry, drug store, chemical biology, materials chemistry and substance designing by giving a stage to examination of late information, and to share most recent front line investigation discoveries and results in regards to all parts of chemistry. The meetings will be a multidisciplinary social event to show significant territories like polymer chemistry, green chemistry, Physical Chemistry, therapeutic chemistry, synthetic compound chemistry and general applications.

Conference Highlights :

- Environmental chemistry
- Chemical Biology
- Organic Chemistry
- Physical Chemistry
- Inorganic Chemistry
- Polymer Chemistry
- Surface Chemistry
- Chemical Engineering
- Biochemistry
- Drug Discovery
- Biotechnology
- Agricultural Chemistry
- Analytical Chemistry
- Toxicology
- Green Chemistry
- Chemoinformatics

Chemistry Research 2018	
Day 1 October 29, 2018	
	Registration
	Opening Ceremony
	Introduction
Keynote Forum	
	Keynote 1
	Keynote 2
	Keynote 3
Group Photo	
Coffee Break	
Workshop/ Special Session	
	Workshop/Special Session
Lunch	
Oral Session I	
Organic Chemistry | Physical Chemistry | Polymer chemistry |Analytcal chemistry	
	Speaker 1
	Speaker 2
	Speaker 3
Coffee Break	
	Speaker 4
	speaker 5
*** Slots available**	
Day 2 October 30, 2018	
	Introduction
Keynote Forum	
	Keynote 4
	keynote 5
	keynote 6
*** Slots available**	
Coffee Break	
Workshop/ Special Session	
	Workshop/ Special Session
Lunch	
	Speaker 6
Oral Session I	
Green Chemistry | Inorganic Chemistry |Surface Chemistry |Bio Chemistry	
	Speaker 7
	speaker 8
	speaker 9
*** Slots available**	
Coffee Break	
Poster Session	
*** Slots available**	
Oral Session II	
Bochemical |Environmental Chemistry | Computational Chemistry	
	Speaker 10
	Speaker 11
	Speaker 12
*** Slots available**	

****Note: Tentative Program has been designed with the projected speakers names and titles, dates for this program are subject to change**

Avail Speaker Opportunity: Send us your abstract and biography by September 1, 2018

Send your proposals & details to confirm your participation and Book Your Dates: Chemistry Research 2018 on October 29-30, prague, Czech Republic.

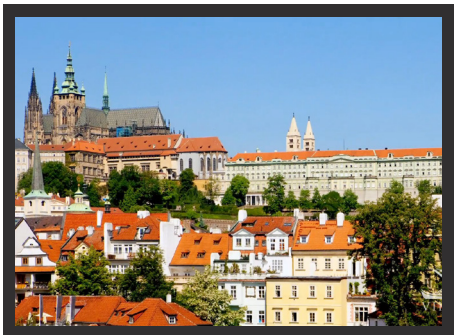

E-MAIL: chemistryresearch@annualmeetings.net | chemistryresearch@annualsummits.com

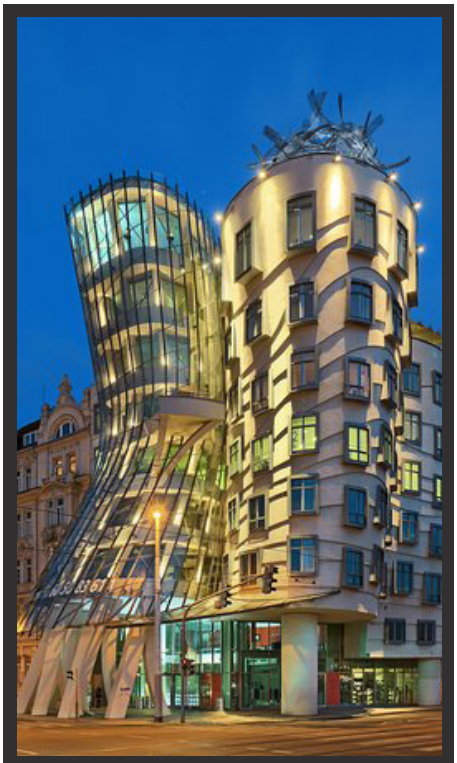

Tourist Attractions

Astronomical clock

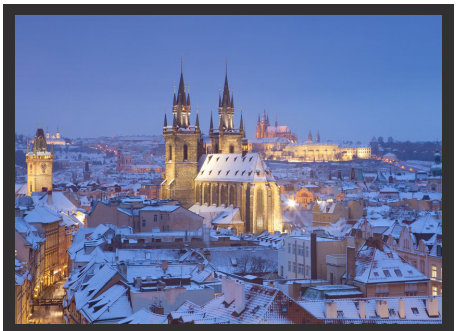

Lbkowiciz Palace

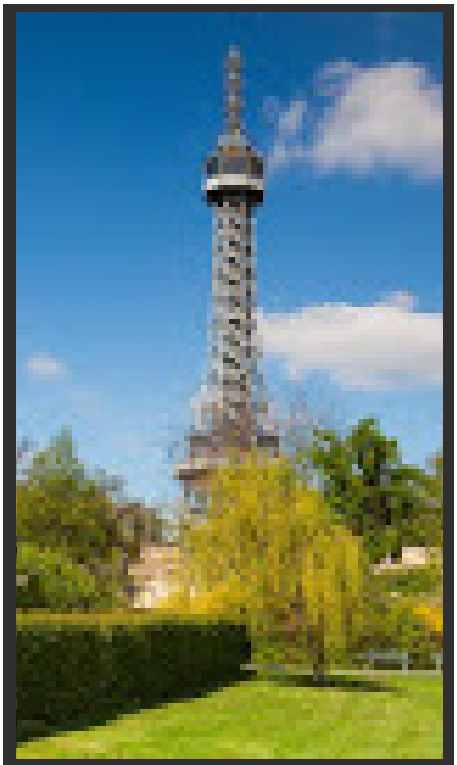

Dancing-House-Hotel

Concert Hall

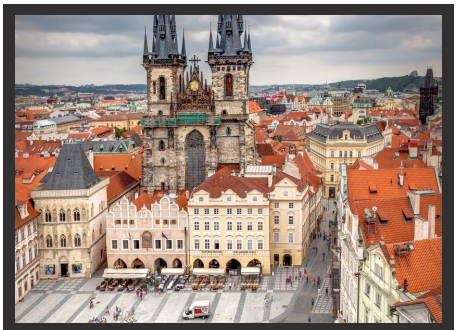

Hardany Castle

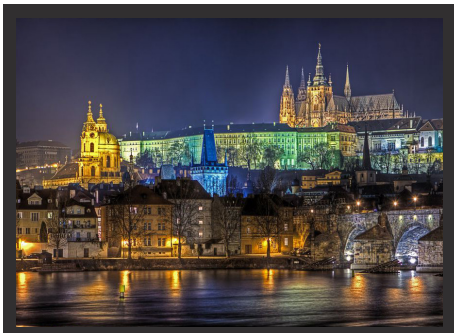

Petren lookout tower

Letna Park

Old Town Square

Prague castel hill

St Vitus Cathedral

About Prgaue

Venue:

Prgaue, Czech Republic

After the 'Velvet Revolution' in 1989, Prague became an international metropolis with all the usual trappings, but it has also managed to successfully retain its unspoiled local character. The Czech capital is small and compact, with hospody (beerhouses) that offer the world's best beers stationed on every street corner. The most important areas are the central districts of the city: When you visit Prague, it is worth remembering that not only does the city boast an impressive history, which stretches back many hundreds of years, but it has also fostered prominent architects, artists, and designers of the 20th century. Prague was once the centre of Central European modernism, a fact which today, after a long period of dictatorship, has almost faded into oblivion. During recent years, modernist Czech architecture and interior design have experienced a recovery, and there is nearly always a good exhibition to see.
