

International Conference on

Chemistry Research

April 19-20, 2021 | Barcelona, Spain

Theme: Advancements, Scope and Impacts of Various Research and Applications in Chemistry

Invitation

Welcome to Barcelona, Spain.

On behalf of Chemistry Research 2021 Organizing Committee, academics, Counsellors, Chemistry Professionals, Researchers and Scientists, Training Institutes, Universities and Colleges Students, Chemistry Associates, Chemistry based Companies, Business En- trepreneurs, Research scientists, Self-help group facilitators, Social workers, Teachers, Business delegates and Young researchers from the Chemistry and its allied are invited to be part of this annual event. The conference proceedings include symposiums and workshops, keynote speeches, plenary talks, poster sessions and panel discussion on latest research developments in the field of Chemistry. EuroSciCon is the longest running independent life science events company with a predominantly academic client base. Our multi professional and multi-specialty approach creates a unique experience that cannot be found with a specialist society or commercially.

EuroSciCon

A Transformational Learning Experience

1. Curated to address the concerns of today's scientific world
2. Be inspired by some of the world's most renowned figures
3. Stimulate new ways of thinking and provoke action.
4. Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Venue

April 19-20, 2021 | Barcelona, Spain

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

With over 25000+ Chemistry researchers accessing the website, Chemistry Research 2021 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Chemistry Research 2021 Salient Features:

In a world of information overload, we focus on the issues most relevant to today'stechnical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant clients Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

Who'd be attending?

International Conference on Chemistry Research gives chance to meet Ac- ademics, Counsellors, Chemistry Professionals, Re- searchers and Scientists, Training Institutes, Universities and Colleges Students, Chemistry based Companies, Business Entrepreneurs, Research scientists, Self-help group facilitators, Social workers, Teachers, Business delegates and Young researchers from Chemistry industry and academic field respectively and share ideas, knowledge and different views on various areas of Chemistry.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology and Institute of Biomedical Science (IBMS). Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Advanced Medicinal Chemistry
- Advanced Organic & Inorganic Chemistry
- Agricultural Chemistry
- Analytical Chemistry
- Applied Chemistry
- Biochemistry
- Chemical Engineering
- Chemistry of Fungi
- Chemistry in Clinical Research
- Crystal Engineering
- Environmental Chemistry
- Green & Sustainable Chemistry
- Industrial Chemistry
- Marine Chemistry
- Mass Spectroscopy & Filtration Chemistry
- Material Chemistry
- Nuclear Chemistry
- Petro Chemistry
- Physical Chemistry
- Polymer Chemistry
- Radio Chemistry
- Supra Molecular
- Theoretical Chemistry

Chemistry Research 2021

About Destination Barcelona

Barcelona is a city with a wide range of original leisure options that encourage you to visit time and time again. Overlooking the Mediterranean Sea, and famous for Gaudí and his Art Nouveau architecture, Barcelona is one of Europe's trendiest cities.

It's a hub of new trends in the world of culture, fashion and cuisine. It combines the creativity of its artists and designers with respect and care for local traditions. The charm and slower pace of the old town, the avant-garde vibe of more modern neighbourhoods, and the fast pace of one of the world's most visited cities coexist in Barcelona.Barcelona draws visitors to its famous sights, like the Sagrada Familia, Parc Güell, Casa Batlló and La Pedrera. But they can also discover a city full of pleasant surprises on each trip.A walk along the seafront, evenings on a rooftop terrace with views over the city skyline, spacious parks such as Parc de Montjüic or Ciutadella, the marina, Olympic village or anything to do with FC Barcelona; a range of options for new experiences on each visit.Culinary options are also varied, with world renowned haute cuisine restaurants, traditional Catalan dishes, food markets, and establishments that take you around the world with their flavours.
