Quality research

Dubai UAE

Dubai is located in the eastern part of the Arabian peninsula on the coast of the Persian Gulf. Dubai is the capital of 'Emirate of Dubai'. Dubai economy relies on revenues from trade, tourism, aviation, real estate and financial services. It is the major transport hub for passengers and cargo. Dubai lies directly within the Arabian Desert. However, the topography of Dubai is significantly different from that of the southern portion of the UAE in that much of Dubai's landscape is highlighted by sandy desert patterns, while gravel deserts dominate much of the southern region of the country.Coming to cilimate conditions Summers in Dubai are extremely hot, windy, and humid, with an average high around 41 °C. Most days are sunny throughout the year. Winters are comparatively cool with an average high of 24 °C.
