About Dubai

Dubai is located in the eastern part of the Arabian peninsula on the coast of the Persian Gulf. Dubai is the capital of 'Emirate of Dubai'. Dubai economy relies on revenues from trade, tourism, aviation, real estate and financial services. It is the major transport hub for passengers and cargo. Dubai lies directly within the Arabian Desert. However, the topography of Dubai is significantly different from that of the southern portion of the UAE in that much of Dubai's landscape is highlighted by sandy desert patterns, while gravel deserts dominate much of the southern region of the country.
