PLAN A TRIP TO To copenhagen, Denmark: DESTINATION OF chinese opthalmology 2018

Copenhagen is the capital city of Denmark. The city has a larger urban area with population of approximately 1.3 million as of 1 January 2016, while the Copenhagen metropolitan area has just over 2 million inhabitants. Copenhagen is founded in the 10th century; it became the capital of Denmark in the early 15th century. Since the turn of the 21st century, it has seen strong urban and cultural development, facilitated by investment in its institutions and infrastructure.
Copenhagen is home to the University of Copenhagen, the Technical University of Denmark and Copenhagen Business School. The University of Copenhagen, founded in 1479, is the oldest university in Denmark. It is home to the FC Kobenhavn and Brond by football clubs. Its landmarks such as Tivoli Gardens, The Little Mermaid statue, the Amalienborg and Christiansborg palaces, Rosenborg Castle Gardens, Frederik's Church, and many museums, restaurants and nightclubs are significant tourist attractions.
