4TH WORLD SUMMIT ON

CLIMATE CHANGE & GLOBAL WARMING

Climate Change 2019

June 17-18, 2019 | Osaka, Japan

INVITATION

Climate Change 2019

Meetings International proudly announces the **4th World Summit on Climate Change & Global Warming** scheduled during **June 17-18, 2019 at Osaka, Japan.** The conference emphasizes the theme "**Change Scenarios: Slow, Rapid, Abrupt Or Episodic**".

Meetings International provides an international dais for participants who are interested in sharing their knowledge and techniques in the arena of Climate Change and anticipates more than 500 participants around the globe with thought to provoke Keynote lectures, Oral Presentations and Poster Presentations. The attending delegates include Editorial Board Members of related Meetings International Pte Ltd Journals. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the World Class Experts. The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer.

Sincerely,
Operating Committee
Climate Change 2019
Meetings International PTE LTD.

ABOUT DUBAI

Osaka is the second largest metropolitan area in Japan and serves a major economic hub. Historically a merchant city, Osaka has also been known as the “Nation’s Kitchen”. With a population of 2.5 million, Osaka is Japan’s third largest and second most important city. It has been the economic powerhouse of the Kansai region for many centuries. The city’s west side has the main port as well as a tourist destination with attractions such as Kyocera Dome, Universal Studios Japan, Osaka aquarium, Minami, Osaka castle, Umeda sky building and the Tempozan Harbour Village. Osaka is known for its food, both in Japan and abroad. Author Michael Booth and food critic François Simon of Le Figaro have both suggested that Osaka is the food capital of the world.
