7TH WORLD SUMMIT ON

Climate Change and Global warming

December 14-15,2020

Dubai, UAE

Invitation

Meetings International is announcing Young Scientist Awards through **7th World summit on Climate Change and Global Warming (Climate Change 2020)** which is scheduled at **Dubai, UAE** during **December 14-15, 2020**. This Climate Change conference is focuses on "Adaptation to climate change"

Climate Change 2020 and upcoming conferences will recognise participants who have significantly added value to the scientific community of environmental science and provide them outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researches by meeting experts to exchange and share their experiences at our international conferences. Climate Change 2020 focuses mainly on climate change research. Climate Change conference operating committee is providing a platform for all the budding young researchers, young investigators, post-graduate/ Master students, PhD. students and trainees to showcase their research and innovation.

Sincerely,
Operating Committee
Climate Change 2020

Peer review and high quality publication

Explore Dubai

Dubai is a city that is not afraid of ambition. Pumping billions into positioning itself as a tourist mecca and business hub, the place is an attention seeking over-achiever of sorts and undoubtedly becoming one of the most unique cities in the world. For those with an untreatable case of wanderlust, this city is a traveller's dream. Dubai has historic sights, futuristic architecture, and active night life and out-of-this-world attractions. Before the skyscrapers and luxurious automobiles, Dubai was only sand and when visiting Dubai it becomes a must thing to go on a desert safari and eat a traditional Arabic barbecue, go dune bashing, watch belly dancing and ride camels. Approximately 85% of Dubai's population are expats creating a cultural diversity to a whole new level and allowing visitors to travel the entire world from one place. Dubai is known worldwide for its architecture.
