

Webinar on

Climate Change 2021

January 27-28, 2021

Theme: Global Warming : Effects and Causes due to Climatic changes due to COVID-19 Pandemic

Email: climatechange@eurorendezvous.org
Web: https://climatechange.euroscicon.com/

Invitation

A Webinar is an online seminar that turns a presentation into a real-time conversation from anywhere in the world. Webinars allow large groups of participants to engage in online discussions or training events and share audio, documents or slides – even when they're not in the same place as the meeting host or in the same room where the event or presentation is taking place.

On behalf of Climate Congress 2021 (Climate Change Conferences) Organizing Committee, we are pleased to invite academics, counsellors, educators, environmentalist, policy makers, research scientists, self-help group facilitators, teachers, business delegates and Young researchers across the world to attend 8th International Virtual Summit on Climate change which is to be held on January 27-28,2021 as Online Event. The conference highlights the theme " Global Warming : Effects and Causes due to Climatic changes due to COVID-19 Pandemic".

The scientific program includes Keynote & Plenary talks, Online Presentation, Video Presentations, Poster Presentations and E-Posters. Furthermore, oral communications of (post)doctoral junior scientists will be considered. It is the goal of the organizers to make this meeting an event of scientific excellence, attractive to both industrial and academic scientists in Climate Change and its advancements.

About EuroSciCon

EuroSciCon is the longest running independent life science events company with a predominantly academic client base. Our multiprofessional and multispeciality approach creates a unique experience that cannot be found with a specialist society or commercially EuroSciCon, founded in 2001 is a UK based independent life science Events Company with predominantly business and academic client base. The key strategic objective of EuroSciCon is to communicate science and medical research between academia, clinical practice and the pharmaceutical industry. Most of its events are in Europe and London or live streamed. EuroSciCon expanded its operations to international in association with Meetings International, Singapore. All major meetings of EuroSciCon and Meetings International are accredited with Continued Professional Education (CPD), Continued Education (CE), Continued Medical Education (CME) CreditsParticipant.

Participant Benefits

1. Access to All Sessions Online
2. E-Handbook & E-Conference Kit
3. E-Certificate of Presentation
4. Exclusive Speaker Pages in relation with the conference website for registered speakers and Organizing Committee Members
5. Publication of extended abstract (1000 words) and biography in respective supporting journal
6. Online publication of Abstract and Biography in our website which has 25 Million visitors
7. Online publication of Abstract and Biography in respective conference webpage which has 25,000 online unique subject experts visitors
8. 15% abatement on the registration fees for the next annual conference
9. Nominations for Best Poster Award
10. International Networking and Scientific Association, Collaboration
11. Free publication of video article(1MB)

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD. Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

- Publishing of the accepted abstracts in our inordinately indexed journals
- Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.
- Career Guidance Workshops for students and early career researchers
- Opportunity to publish full Manuscripts in our Open Access Journals

Who'd be attending?

8th International Virtual Summit on Climate Change 2021 Webinar plays host to Join your colleagues around the globe concentrated on finding a few solutions concerning Water, Waste and Energy Management related advances, which is your single most evident chance to achieve the best assembling of people from the Water, Waste and Energy Management societies, arrange appears, dissipate data, meet with repeating example and potential masters, make a sprinkle with new research works, and get name certification at this Two-day occasion. Comprehensively acclaimed speakers, the latest research, moves, and the most energy revival in Environment are signs of this social affair. The arrangement of data on new advances actualized in the field of Water, Waste and Energy Management and a sound learning on the Global Warming will give collaboration the world's outstanding Professors, CEOs.

Scientific Sessions:

Climate Change & Climatology

Climate Hazards

Evidence of Climate Changes

Pollution & Its Effects on Climate

Sustainability & Climate Change

Renewable Energy to Mitigate Climate Change

Global Warming Effects & Causes

Public Health and Climate Changes

Climate Change – Challenges

Biodiversity Scenarios

Green Initiatives

Risks of Climate Change

Biodiversity and Species Protection

Carbon Cycle

Oceans & Climate Change
